Confessions of

a Fat Girl Ebony L. Daniels,2014-02-09 A fat girl is someone who uses food therapy to heal a broken heart At times she may experience low self esteem and struggle with insecurities Some who would be disqualified from the category due to low weight qualify due to mentality This is a journey that includes both highs and lows I have made mistakes grown as a person and learned valuable lessons Change is not easy but it s worth it As long as you are alive it s never too late to make improvements Just remember it all starts with a confession

Confessions From Your Fat Friend Paige

Fieldsted,2019-08-20 Chubby Curvy Funny and that s it Fat These labels are often associated with people who don t fit the mold of what society and social media deem visually appealing and acceptable being thin Through the sharing of deeply personal and life changing moments author and body positivity advocate Paige Fieldsted provides a stunningly honest look at how society and the ones we love impact self image Not only does she dig deep into the experiences that have shaped who she is today she proudly calls upon each person to take action and accountability for how people are treated and perceived Confessions from Your Fat Friend doesn t pull any punches with its honest funny and sometimes painful revelations Those who deal with fluctuating weight will identify with the struggle to conform The curvy girls in each friend group will relate to the need to shop at specialty stores so they feel more confident in their skin Most importantly those who feel as if they don t belong won t feel so alone

Confessions of a Fat Girl Holly Dae,2015-07-24 Part of the Confessions Universe a series of interconnected stand alone YA and NA novels featuring protagonists that struggle to overcome the burdens and drawbacks of a specific issue drugs eating disorders trauma etc and how that issue affects their personal mental psychological and romantic lives Real Honest Uncensored Smart and ambitious Season Minett was homeschooled got accepted into college at 16 graduated with a B A in English at 20 got a job at a prestigious magazine at 21 and isn t afraid to go after what she wants Twenty two year old Season has it made and everyone knows it Except Season herself People can gush over her all day long but Season knows they re just being nice In reality she s accomplished nothing She doesn t work hard enough can t get her book published and worst of all at 5 6 180 pounds with a thirty two inch waist a forty four inch hip and arms too big for her body she s fat and ugly She s such a disappointment that after her mother divorced Season s dad she went to live with her new younger boyfriend and left Season to mother the rest of her siblings So Season is quite bewildered when the guy she sees every weekend at the bookstore shows serious interest in her And she ends up liking him A lot Season s not naive enough to think love will solve all her problems though In fact love seems to be making everything worse because her food obsession is growing more and more out of her control But that s impossible There s nothing wrong with counting calories and wanting to be thin There s nothing wrong with trying to be as perfect as everyone thinks she is A fat girl can t develop an

eating disorder let alone have one Right
