face he was a man by no means lacking in energy and not of idle disposition as a matter of fact a scholar and one who had taken high honours at his university he still maintained his studious habits and having practically abandoned a profession that was uncongenial to him he devoted himself to literary pursuits and his thoughtful articles in the reviews and in the newspaper to which he was attached brought him in no insignificant addition to his income Fearing to show himself in the streets more especially in the Strand or Fleet Street where so many would know him by sight at least he suggested to Allen that they should send to a neighbouring chop house for their dinners and remain quietly in the chambers instead of dining as was their wont at a club Jim pulled them off to the yacht and when the solicitor who was thoroughly at home on a Pg 18 boat a keen lover of the sea with yachting as his one innocent pleasure stood on the white deck and looking around saw how glorious was that summers day beheld the river sparkling in the sunshine thronged with stately ships and picturesque barges tacking up with the flood against the soft south west wind a delightful sense of freedom rushed upon him Pilot said Carew later on as they were sailing up the river I dont want to be followed about Rotterdam as if I were a curiosity so I should like you not to mention the fact of my having sailed across the sea alone There was no chronometer on board the yacht and he could not afford to buy one so as his watch was not to be depended upon he saw that he would have to navigate his vessel after the fashion of the good old days before chronometers were known

throughout Gulliver Robinson demonstrates Swift's uses of Everyman Bernard of Clairvaux Bonaventure Boccaccio Dante Chaucer Shakespeare and Milton to define real Christianity as a basis for protesting the African slave trade and racism In doing so she illuminates Swift's insight honesty piercing irony and brilliant wit and calls attention to the disturbing relevance of Gulliver's Travels in the 21st century *Travels Into Several Remote Nations of the World* Jonathan Swift, 1925

Desperate Voyage. Abridged, Etc John CALDWELL (of Texas.), 1957 **The Cruise of the 'Alerte'** E. F.

Knight, 2022-09-16 E F Knight's *The Cruise of the Alerte* is a riveting narrative that intricately details a maritime voyage through the treacherous waters of the West Indies Blending adventure with vivid description Knight employs a travelogue style that illuminates both the majesty and perils faced by seafarers of his time The text serves not just as a personal account but also as a cultural commentary on the colonial British Empire capturing the complexities of maritime life amidst the backdrop of the late 19th century's shifting geopolitical tides Knight's prose is both lyrical and precise capturing the grandeur of the ocean while revealing the intimate experiences of crew and captain alike E F Knight an accomplished author and naval officer drew on his personal experiences at sea to craft this work His deep understanding of nautical life coupled with a passion for exploration provides a rich context for the narrative Knight's background not only lends authenticity to the account but also reflects the spirit of adventure prevalent during the era of imperial expansion His insights into maritime challenges and the human condition add depth to the work Readers are invited to embark on this entrancing journey aboard the *Alerte* where Knight's expert observations and engaging storytelling converge This book is essential for those intrigued by maritime history adventure literature or the nuances of colonialism offering a unique perspective that is as enlightening as it is entertaining A Desperate Voyage Edward Frederick Knight, In Carey Street Chancery Lane on the ground floor of a huge block of new buildings facing the Law Courts were the offices of Messrs Peters and Carew solicitors and perpetual commissioners of oaths Such was the title of the firm as inscribed on the side of the entrance door in the middle of a long list of other names of solicitors architects and companies whose offices were within But the firm was now represented by Mr Carew alone for the senior partner a steady going old gentleman who had made the business what it was had been despatched by an attack of gout two years back to a land where there is no litigation Late one August evening Mr Henry Carew entered his office His face was white and haggard and he muttered to himself as he passed the door He had all the appearance of a man who has been drinking heavily to drown some terrible worry His clerks had gone he went into his own private room and locked the door He lit the gas brought a pile of papers and letters out of a drawer and sitting down by the table commenced to peruse them As he did so the lines about his face seemed to deepen and beads of perspiration started to his forehead It was for him an hour of agony His sins had found him out and the day of reckoning had arrived One might have taken Henry Carew for a sailor but he was very unlike the typical solicitor He was a big hearty man of thirty five with all a sailor's bluff manner and generous ways His friends called him Honest Hal and said that he was one of the best fellows that

ever lived We have it on the authority of that immortal adventuress Becky Sharp that it is easy to be virtuous on five thousand a year Had Mr Carew enjoyed such an income he would most probably have lived a blameless life and have acquired an estimable reputation for he had no instinctive liking for crime on the contrary he loathed it But one slight moral flaw in a man s nature so slight that his best friends smile tolerantly at it may by force of circumstance lead ultimately to his complete moral ruin It is an old story and has been the text of many a sermon The trifling fault is often the germ of terrible crimes Carew s fault was one that is always easily condoned so nearly akin is it to a virtue these respectably connected vices are ever the most dangerous like well born swindlers Carew was a spendthrift He was ostentatiously extravagant in many directions He owned a smart schooner which he navigated himself being an excellent sailor and the quantities of champagne consumed by his friends on board this vessel were prodigious When his steady old partner died Carew began to neglect the business for his pleasures Soon his income was insufficient to meet his expenses Speculation on the Stock Exchange seemed to him to be a quicker road to fortune than a slow going profession So this man morally weak though physically brave not having the courage to curtail his extravagances hurried blindly to his destruction He gambled and lost all his own property for ill luck ever pursued him Even then it was not too late to redeem his position But he was too great a coward to look his difficulties in the face therefore having the temptation to commit so terribly easy a crime ever before him in his office he began first timidly to a small extent then wildly in panic in order to retrieve his losses to speculate with the moneys entrusted to him by his clients He pawned their securities he forged their names he plunged ever deeper into crime and all in vain

Clare Monro Hannah Lynch,1900 **The Threatening Eye** E. F. Knight,2022-09-16 In *The Threatening Eye* E F Knight crafts a chilling narrative that navigates the complexities of human perception and the sense of impending danger Set against a vividly rendered landscape Knight employs a richly descriptive literary style that blends psychological depth with suspenseful prose The novel reflects the late Victorian fascination with the unknown capturing the anxieties of an era marked by rapid industrial change and colonial expansion while weaving elements of gothic fiction through its examination of paranoia and observation E F Knight an author and adventurer drew from his own experiences in diverse cultures and environments potentially igniting the themes of fear and vigilance prevalent in this work His background in exploration and understanding of human psychology influenced his portrayal of characters who grapple with their internal demons as much as the external threats they perceive Knight s dual roles as a traveler and writer allowed him to infuse authentic cultural nuances into his storytelling making the narrative both engaging and reflective of broader existential themes Readers seeking a compelling exploration of fear and the human psyche will find *The Threatening Eye* an indispensable addition to their literary collection Knight s astute observations and gripping prose invite contemplation about the nature of perception and reality making this novel a profound and thought provoking experience It is a must read for those interested in the interplay between environment and emotional turmoil *Mary's Voyage* Mary Caldwell,Matthew M. Douglas,2008-09-15

One of the most successful sailing stories ever written is *Desperate Voyage* by John Caldwell. Now almost sixty years later his wife Mary tells her own inspiring story. Born in England, Mary immigrated with her family to Australia where she spent her early youth on a farm. As a young woman she served in the Australian Air Force. During the war she met Tex, future husband John Caldwell, a young cocky American who became the inspirational mainspring for her adventures. In 1952, after living in California for several years, Mary and John and their children became the first family to attempt a voyage around the world on a small sailing craft using only a sextant and dead reckoning to guide them across thousands of miles of ocean. Mary was pregnant at the beginning of the voyage and already had a toddler and an infant son in tow. Months would pass without sight of land. She gave birth to her youngest son in Tahiti, weathered constant seasickness and survived frightening ocean storms, several hurricanes and a tsunami. Mary and John finally settled in the Grenadines where they built the world renowned Palm Island resort. Mary's story of endurance and fearlessness is remarkable and inspiring.
