Desperately Seeking Paradise Journeys Of A Sceptical Muslim:

Desperately Seeking Paradise Ziauddin Sardar, 2020-03-31 A curious often amusing travelogue of Sardar's quest for understanding and the Muslims he has encountered along his journeys Publishers Weekly Ziauddin Sardar one of the foremost Muslim intellectuals in Britain learned the Koran at his mother's knee in Pakistan As a young student in London he set out to grasp the meaning of his religion and hopefully to find paradise his quest leading him throughout the Muslim world from Iran to China to Turkey Along the way he accepts that he may never reach paradise but it's the journey that's important At a time when the view of Islam in the West is so often distorted and simplistic *Desperately Seeking Paradise* self-mocking frank and passionate is essential reading Intoxicating upon finishing the book I turned back and started reading it all over again Kamila Shamise New Statesman At once earnest and humorous light-hearted and profound this is a book that displays a sustained capacity for self-questioning of a kind that has few parallels in the liberal West The Independent This challenging book not only acts as a guide for Muslims but provides insight and clarification for those outside the Islamic faith Financial Times The only funny book I've read about Islam Mail on Sunday

Western Sufism Mark Sedgwick, 2016-10-18 Western Sufism is sometimes dismissed as a relatively recent new-age phenomenon but in this book Mark Sedgwick argues that it has deep roots both in the Muslim world and in the West In fact although the first significant Western Sufi organization was not established until 1915 the first Western discussion of Sufism was printed in 1480 and Western interest in Sufi thought goes back to the thirteenth century Sedgwick starts with the earliest origins of Western Sufism in late antique Neoplatonism and early Arab philosophy and traces later origins in repeated intercultural transfers from the Muslim world to the West in the thought of the European Renaissance and Enlightenment and in the intellectual and religious ferment of the nineteenth century He then follows the development of organized Sufism in the West from 1915 until 1968 the year in which the first Western Sufi order based on purely Islamic models was founded Western Sufism shows the influence of these origins of thought both familiar and less familiar Neoplatonic emanationism perennialism pantheism universalism and esotericism Western Sufism is the product not of the new age but of Islam the ancient world and centuries of Western religious and intellectual history Using sources from antiquity to the internet Sedgwick demonstrates that the phenomenon of Western Sufism draws on centuries of intercultural transfers and is part of a long established relationship between Western thought and Islam
