Destabilizing Theory:

Destabilizing Theory Michèle Barrett, Anne Phillips, 1992 In the past decade the central principles of western feminist theory have been dramatically challenged many feminists have endorsed post structuralism's rejection of essentialist theoretical categories and have added a powerful gender dimension to contemporary critiques of modernity Earlier women have been radically undermined and newer concerns with difference identity and power have emerged Destabilizing Theory explores these developments in a set of specially commissioned essays by feminist theorists Does this change amount to a real shift within feminist theory or will feminism's links with an emancipatory modernism reinstate an older political agenda Can we transcend the common counterposition of equality and difference or is feminism condemned to argue within the terms of this binary opposition

The Theory Mess Herman Rapaport, 2001 A clarifying account of the general landscape of critical theory in the United States over the last 30 years ending with the current eclipse of deconstruction

Social Theory, Social Change and Social Work Nigel Parton, 2002-09-11 Social Theory Social Change and Social Work has two inter related themes First to account for and analyse current changes in social work and secondly to assess how far recent developments in social theory can contribute to their interpretation Representing the work of a range of academics all involved in research and teaching in relation to social work it considers issues of central significance to everyone interested in the theory policy and practice of social work

What is Feminism? Chris Beasley, 1999-04-29 So what is feminism anyway Is it possible to make sense of the complex and often contradictory debates In this concise and accessible introduction to feminist theory Chris Beasley provides clear explanations of the many types of feminism She outlines the development of liberal radical and Marxist socialist feminism and reviews the more contemporary influences of psychoanalysis postmodernism theories of the body queer theory and the ongoing significance of race and ethnicity What is Feminism is a clear and up to date guide to Western feminist theory for students their teachers researchers and anyone else who wants to understand and engage in current feminist debates

Handbook of Social Theory George Ritzer, Barry Smart, 2001-01-02 This book is an indispensable resource for anyone interested in the roots current debates and future development of social theory It draws together a team of outstanding international scholars and presents an authoritative and panoramic critical survey of the field The volume is divided into three parts The first part examines the classical tradition Included here are critical discussions of Comte Spencer Marx Durkheim Weber Simmel Mead Freud Mannheim and classical feminist thought This part conveys the classical tradition as a living resource in social theory it demonstrates not only the critical significance of classical writings but their continuing relevance The second part moves on to examine the terrain of contemporary social theory The contributions discuss the significance and strengths and weaknesses of structural functionalism recent Marxian theory critical theory symbolic interactionism phenomenology ethnomethodology exchange theory rational choice contemporary feminism multiculturalism postmodernism the thought of Foucault and Habermas and

figurational sociology The reader gains a comprehensive and informed picture of the key issues and central figures of the day The final part ranges over the key debates in current social theory Questions relating to positivism metatheorizing cultural studies consumption sexualities the body globalism nationalism socialism knowledge societies ethics and morality as well as post social relations are fully discussed The dilemmas and promise of contemporary social theory are revealed with pinpoint accuracy
