Destination Baghdad:

Persia and the Persian Question George Nathaniel Curzon, 2016-02-05 Reprint of edition published by Longmans Green and Co in 1892 **Liberate and Leave** Don Eberly, 2009-05-05 If you were to talk to those who experienced the Iraq War from the inside the word you might hear most often is surreal Don Eberly a senior official at USAID during the lead up to the war was recruited to serve on a post war civil administration team and his two years of service spanned all phases of the operation He was in fact the first American civilian to make his way into Baghdad city hall after the occupation From that up close perspective Eberly describes what happened in an Iraq completely battered and broken politically physically and psychologically His ground level account reveals how the flawed approach adopted by senior officials at the Pentagon captured in the mantra brief stay light touch resulted in severe troop shortages and an inadequate plan for post war stabilization An insider's account of what really goes on in a war zone *Liberate and Leave* provides a personal tour of the weeks and months before and after the liberation the secret planning process with all its complexities and doubts attempts to set up a new government amidst lawlessness and looting painfully vexing policy decisions set against dramatic discoveries of Saddam's torture chambers and obscenely lavish personal palaces A searing indictment of a military command utterly out of touch with practical reality this book written in a clear accessible style offers much needed insight into how the ways of war and the ways of the world inevitably intersect and diverge in our day The Marching Bells Waheed Ud Din, 2011-05-16 I am pleased to share the story of my life with you and hope to take you along with me when I retrace my steps and read my story along the way I hope and trust that you will find it interesting informative and educational In the process I intend to give a brief picture of the social and political climate which surrounded my life and had played an important role in my thinking and eventually molding my course of action I faced many occasions in my life where my decisions drastically changed the course of history for me I am fortunate that my spirit of adventurism and self confidence has by and large been a source of satisfaction for me in my actions I have been a fairly quick decision maker all my life and do not go into deep and lengthy sessions of contemplation and brooding I give a very serious thought and due deliberations to the situation at hand but will not delay making a decision if that is what is required on the occasion During the course of my journey of life I have endeavored to chart out and set the goals for myself but did not hesitate to change course to accommodate and answer to the call of the time and compromise with the inevitable human weaknesses and the forces of nature and destiny I also intend to touch on some incidents of personal nature which I always avoided to talk about with my dear ones including my parents and siblings These incidents undoubtedly influenced my thinking and had a profound effect on my perception of things which came my way during my journey of life *Destination Baghdad* Gerri Eickhof, 2015-06-08 Gerri Eickhof traveled several times to Baghdad for the NOS News before during and after the war in Iraq Dozens of television reports were the result of it But he also kept a diary After much hesitation he has now decided to publish his writings It delivers an intense bright

sometimes disturbing portrait of Iraq under Saddam Hussein of Iraq under attack and of Iraq amongst the chaos that followed But what is equally penetrating and sometimes shocking is the picture that emerged from the journalistic practice Moreover Destination Baghdad is a very humanistic book that offers laughter and tears As Eickhof writes War Reporting and heroism are not synonymous the real Tin tin is a cartoon character Gerri Eickhof has worked for over ten years as a general reporter for the NOS News Although most of his reports happen in the Netherlands he has achieved particular fame with reports from abroad the former Yugoslavia Rwanda Burundi the Congo Sudan Northern Ireland Palestine Iraq and Afghanistan They were all flashpoints where his eyes and ears relayed and tried to explain his observations for Dutch viewers Gerri Eickhof studied cultural anthropology in Amsterdam Utrecht and Bradford UK He lives in Amsterdam and has one son
