James Ellroy Jim Mancall, 2013-12-19 This comprehensive guide to James Ellroy's work and life is arranged as an encyclopedia covering his entire career from his first private eye novel *Brown's Requiem* to his 2012 e book *Shakedown* It introduces new readers to his characters and plots and provides experienced Ellroy fans and scholars with detailed analyses of the themes motifs and stylistic innovations of his books The work is a tour of Ellroy's dark underworld highlighting the controversies and unsettling questions that characterize his work as well as assessing Ellroy's place in the annals of American literature

The Big Somewhere Steven Powell, 2018-07-12 James Ellroy's identity as a crime writer is rooted in his extraordinary life story and relationship with his home city of Los Angeles Beginning with the unsolved murder of his mother Geneva Hilliker Ellroy in 1958 Ellroy's early life played a large role in shaping his obsessions with murder the criminal underworld of L A and the redemptive power of the feminine Ellroy's life could be seen as a brutal visceral and

emotionally exhausting realisation of the American Dream a theme he has explored in his writing to the extent that he is credited with reinventing crime fiction The Big Somewhere Essays on James Ellroy s Noir World is an in depth scholarly study of the work of James Ellroy featuring leading Ellroy scholars such as Anna Fl gge Jim Mancall and Rodney Taveira Moving from Ellroy s early detective novels to his later epic works of historical fiction it explores how Ellroy found his place in the history of the genre by building on and then surpassing the works of authors who influenced him such as Dashiell Hammett Raymond Chandler and Joseph Wambaugh It also examines Ellroy s impact on contemporary writers and on the cultural perception of L A which has been his legacy through the L A Quartet novels The Big Somewhere is not a geographical location but a conglomeration of the cinematic historical and fictional worlds that influenced Ellroy from film noir to the Kennedy era in American politics and on which he in turn has left his mark

Killer on the Road James Ellroy, 2025-12-02 Ellroy s deep dive into the psyche of a serial killer and the scariest book I ve ever read Jonathan Kellerman Killer on the Road is an exploration into the mind of a perfectly crafted psychopath a mix of clinical vision genius intellect and an empty conscience And once you re in it s impossible to get out Even as a child Martin Michael Plunkett was no ordinary boy Extreme parental indifference marked him as an outcast In his head Plunkett crafted a second life remaking himself in the guise of his favorite comic book villain His mind fixated on dark thoughts and twisted imaginings A heart of evil was burnished and Plunkett grew up to become a psychotic murderer This chilling tale is written as the reflections of an unrepentant criminal As Plunkett serves four consecutive life sentences in solitary at Sing Sing he reminisces on his decades of discovery and horror He moves in the shadows of American madness and obsession He is the killer on the road

Film Review , 2005 *Female Corpses in Crime Fiction* Glen S. Close, 2018-10-10 This book examines the central significance of sexualized female corpses in modern and contemporary Hispanic and Anglophone crime fiction Beginning with the foundational detective fictions of the nineteenth century it draws from diverse subgenres to describe a transatlantic tradition of necropornography characterized by lascivious interest in female cadavers dissection morgues femicide and snuff movies Hard boiled and police procedural classics from the U S and the U K are juxtaposed with texts by established Spanish and Spanish American genre masters and with obscure works that prefigure the contemporary transmedial boom in corpse centered fictions The rhetoric and aesthetics of necropornographic crime fiction are related to those of popular crime journalism and forensic science television dramas This study argues that crime fiction has long fixated disproportionately on the corpses of beautiful young white women and continues to treat their deaths and autopsies as occasions for male visual pleasure male subjective self affirmation and male homosocial bonding
