On Sacred Ground Nicholas O'Connell,2011-10-01 On Sacred Ground explores the literature of the Northwest the area that extends from the Pacific Ocean to the Rocky Mountains and from the forty ninth parallel to the Siskiyou Mountains The Northwest exhibits astonishing geographical diversity and yet the entire bioregion shares a similarity of climate flora and fauna For Nicholas O Connell the effects of nature on everyday Northwest life carry over to the region s literature Although Northwest writers address a number of subjects the relationship between people and place proves the dominant one and that has been true since the first tribes settled the region and began telling stories about it thousands of years ago Indeed it is the common thread linking Chief Seattle to Theodore Roethke Narscissa Whitman to Ursula K Le Guin Joaquin Miller to Ivan Doig Marilynne Robinson to Jack London Betty MacDonald to Gary Snyder Tracing the history of Pacific Northwest literary works from Native American myths to the accounts of explorers and settlers the effusions of the romantics the sharply etched stories of the realists the mystic visions of Northwest poets and the contemporary explosion of Northwest poetry and prose O Connell shows how the most important contribution of Northwest writers to American literature is their articulation of a more spiritual human relationship with landscape Pacific Northwest writers and storytellers see the Northwest not just as a source of material wealth but as a spiritual homeland a place to lead a rich and fulfilling life within the whole context of creation And just as the relationship between people and place serves as the unifying feature of Northwest literature so also does literature itself possess a perhaps unique ability to transform a landscape into a sacred place [The Spring of My Life](#) Kobayashi Issa,2019-06-18 An autobiographical blend of prose and haiku from one of Japan s greatest poets Kobayashi Issa 1763 1827 along with Bash and Buson is considered one of the three greatest haiku poets of Japan known for his attention to poignant detail and playful sense of humor Issa s most beloved work The Spring of My Life is an autobiographical sketch of linked prose and haiku in the tradition of Bash s celebrated Narrow Road to the Interior This edition also includes more than 160 of Issa s most revered haiku and an introduction that provides essential background on Issa s life as well as valuable information on translating and reading haiku This book is part of the Shambhala Pocket Library series The Shambhala Pocket Library is a collection of short portable teachings from notable figures across religious traditions and classic texts The covers in this series are rendered by Colorado artist Robert Spellman The books in this collection distill the wisdom and heart of the work Shambhala Publications has published over 50 years into a compact format that is collectible reader friendly and applicable to everyday life **Breaking the Jaws of Silence** Sholeh Wolpé,2013-02-10 PEN Center USA brings together the voices of renowned American poets *Tao Te Ching* Sam Hamill,2007-03-20 Part poetry part paradox always stirring and profound Lao Tzu s Tao Te Ching has been inspiring readers since it was written over two thousand years ago This

masterpiece is also one of the most frequently translated books in all of history in part because the multiple meanings of the Chinese characters make it impossible to translate into a Western language in a strictly literal way For this reason many translations are either too loosely interpretive or are too overloaded with notes thereby losing the clarity of the terse poetry found in the original Chinese The extraordinary strength of Sam Hamill's translation is that it has captured the poetry of Lao Tzu's original without sacrificing the resonance of the text's many meanings and possible interpretations The result is a beautiful and deeply meditative rendering one that is a delight to read over and over again Accompanying Sam Hamill's translation are seventeen Chinese characters brushed by one of the great masters of calligraphy Kazuaki Tanahashi Hamill provides a comment for each character giving the reader a fuller sense of the richness of the original text and insight into the process of translation itself *The Complete Poems of Kenneth Rexroth* Kenneth Rexroth, 2003 The definitive volume of Rexroth's poetry now available in paperback **What Book!?** Gary Gach, 1994-04-30 With poems from spiritual teachers to jazz musicians from the monastery to the street What Book brings together a broad range of verse expressions of living in an awakened way A poet once located poetry as somewhere before or after words take place Mindfulness is the practice of finding that realm dwelling there and cultivating the ability to live completely in the present deeply aware and appreciative of life from the author's Preface This enigmatically titled anthology offers numerous delights and valuable evidence that great poetic variety from haiku and witty two liners to page long discourses has by now given distinct expression to Western Buddhism Publisher's Weekly **Poet Lore**, 1997 **1998 Pushcart Prize XXII Best Of The Small Presses** Bill Henderson, 1997-11-04 Pushcart Prize XXII continues as a testament to the flourishing of American literature in our small presses Edited with the assistance of over 200 distinguished contributing editors including Andre Dubus Joyce Carol Oates Rosellen Brown Rick Bass Carolyn Kizer Edward Hoagland Rita Dove Naomi Shihab Nye Sandra Tsing Loh and Sharon Olds this volume celebrates over 60 stories essays and poems from dozens of little magazines and small presses It seems that the more commercial publishers consolidate into a few companies the more small presses capture and encourage what is truly lasting and important in our literary culture Each edition of The Pushcart Prize has increased from strength to strength as the small presses expand in influence and energy The reviews and features for last year's edition confirmed this strength A generous and stimulatingly eclectic selection of fiction poetry and essays the biggest anthology in the 21 year history of the Pushcart Press said Publishers Weekly in a starred review The largest and most adventurous volume so far commented Booklist The Pushcart Prize has become a literary institution perhaps the single best measure of the state of affairs in American literature today noted the New York Times Books in this series have been named a Notable Book of the year several times by the New York Times Book Review winner of the Publishers Weekly Carey Thomas Award *Parabola*, 1976 **Sacramental Acts** Kenneth Rexroth, 1997 *Dumb Luck* Sam Hamill, 2002 Influenced by the Chinese and Japanese masters Hamill's *Dumb Luck* affirms his ability to give us back the world and all its vicissitudes Here you will find Zen fables
