Destroying Angel The Conquest Of Smallpox:

A Destroying Angel O. E. Winslow, 1974 **A Destroying Angel** Ola Elizabeth Winslow, 1974 It seems fitting in 1973 when the World Health Organization has announced that worldwide smallpox will be eradicated completely from the world before the year's end to tell the story of the long struggle against this killer and defacer of man of the devastating epidemics in early Boston and the consequent discovery of inoculation In eighteenth century history inoculation for smallpox marked a new beginning Science entered the picture stimulating keener observation a sharper respect for objective fact and never ending experimentation It reshaped American culture from a new center leading life and thought out in new directions In our own deeply troubled revolutionary and almost incredibly hopeful twentieth century this once familiar but now only dimly remembered story takes on a timeless relevance Foreword
