Detective Fiction

Nicole H.

Detective Fiction:

Detective Fiction and the Rise of Forensic Science Ronald R. Thomas, 1999 This is a book about the relationship between the development of forensic science in the nineteenth century and the invention of the new literary genre of detective fiction in Britain and America Ronald R Thomas examines the criminal body as a site of interpretation and enforcement in a wide range of fictional examples from Poe Dickens and Hawthorne through Twain and Conan Doyle to Hammett Chandler and Christie He is especially concerned with the authority the literary detective manages to secure through the devices fingerprinting photography lie detectors with which he discovers the truth and establishes his expertise and the way in which those devices relate to broader questions of cultural authority at decisive moments in the history of the genre This is an interdisciplinary project framing readings of literary texts with an analysis of contemporaneous developments in criminology the rules of evidence and modern scientific accounts of identity

Detective Fiction Charles J. Rzepka, 2005-09-30

Detective Fiction is a clear and compelling look at some of the best known yet least understood characters and texts of the modern day Undergraduate students of Detective and Crime Fiction and of genre fiction in general will find this book essential reading

The Cambridge Companion to Crime Fiction Martin Priestman, 2003-11-06 This Companion covers British and American crime fiction from the eighteenth century to the end of the twentieth As well as discussing the detective fiction of writers like Arthur Conan Doyle Agatha Christie and Raymond Chandler it considers other kinds of fiction where crime plays a substantial part such as the thriller and spy fiction It also includes chapters on the treatment of crime in the eighteenth century literature French and Victorian fiction women and black detectives crime on film and TV police fiction and postmodernist uses of the detective form

The Art of Detective Fiction W. Chernaik, M. Swales, R. Vilain, 2000-03-15

The contributors to this volume all pay tribute to and seek to account for the astonishing durability of the detective story as a narrative genre The essays range generously taking a variety of theoretical approaches and including detective fiction in languages other than English but particular attention is paid to the Golden Age of English detective story writing and to the hard boiled American version on the genre This is a collection that will appeal to the scholar and to the devotee alike to all those in fact who can never resist the lure of finding out whodunnit

3 Books to Know: Detective Fiction Edgar Allan

Poe, Arthur Conan Doyle, G. K. Chesterton, 2019-02-18 Welcome to the 3 Books To Know series our idea is to help readers

learn about fascinating topics through three essential and relevant books These carefully selected works can be fiction non fiction historical documents or even biographies We will always select for you three great works to instigate your mind this time the topic is Detective Fiction When Edgar Allan Poe wrote his first Tales of Ratiocination What he called stories for the mind He had not imagined that he would be creating what we now know as Detective Fiction For that reason the 1 book

selected is a collection of tales from Poe's great detective Auguste Dupin A parisian gentlemen with the sharpest mind British author Arthur Conan Doyle was a fan of Poe Inspired by Dupin tales he created one of the most famous detectives of all

fiction Sherlock Holmes So our book 2 could only be The Hound of the Baskervilles A harrowing tale of mystery in England's countryside G K Chesterton created a different detective a detective who was also a Catholic priest The amateur detective Father Brown often known for his uncanny insight into human evil is our choice 3 The book's name The Innocence of Father Brown This is one of many books in the series 3 Books To Know If you liked this book look for the other titles in the series we are sure you will like some of the topics *An Introduction to the Detective Story* LeRoy Panek, 1987 This book traces the origins of the detective story presents the literary and cultural forces that have influenced it follows its development and discusses some of the major authors who have contributed to its evolution and popularity Adapted from the author's Preface

A Companion to Crime Fiction Charles J. Rzepka, Lee Horsley, 2010-01-21 A Companion to Crime Fiction presents the definitive guide to this popular genre from its origins in the eighteenth century to the present day A collection of forty seven newly commissioned essays from a team of leading scholars across the globe make this Companion the definitive guide to crime fiction Follows the development of the genre from its origins in the eighteenth century through to its phenomenal present day popularity Features full length critical essays on the most significant authors and film makers from Arthur Conan Doyle and Dashiell Hammett to Alfred Hitchcock and Martin Scorsese exploring the ways in which they have shaped and influenced the field Includes extensive references to the most up to date scholarship and a comprehensive bibliography

Flynn's Weekly Detective Fiction William J. Flynn, 1925 **Crime Fiction since 1800** Stephen Knight, 2010-04-09 Since its appearance nearly two centuries ago crime fiction has gripped readers' imaginations around the world Detectives have varied enormously from the nineteenth century policemen and a few women through stars like Sherlock Holmes and Miss Marple to newly self aware voices of the present feminist African American lesbian gay postcolonial and postmodern Stephen Knight's fascinating book is a comprehensive analytic survey of crime fiction from its origins in the nineteenth century to the present day Knight explains how and why the various forms of the genre have evolved explores a range of authors and movements and argues that the genre as a whole has three parts the early development of Detection the growing emphasis on Death and the modern celebration of Diversity The expanded second edition has been thoroughly updated in the light of recent research and new developments such as ethnic crime fiction the rise of thrillers in the serial killer and urban collapse modes and feel good cozies It also explores a number of fictional works which have been published in the last few years and features a helpful glossary With full references and written in a highly engaging style this remains the essential short guide for readers of crime fiction everywhere Edgar Allan Poe's "Invention" of Detective Fiction. Classification of the "Dupin Stories" in the History of the Detective Story as a Genre Nicole H., 2019-06-19 Seminar paper from the year 2018 in the subject English Language and Literature Studies Literature grade 1.7 University of Wuppertal course Seminar Literaturwissenschaft Edgar Allan Poe language English abstract This seminar paper investigates the role of Poe in the history of the detective story as a genre It tries to find out if Poe really is the inventor of detective fiction or if there had been

any detective stories prior to his Dupin works As a first step this paper introduces to the characteristics of a typical detective story It also informs about the current state of research about the origins of detective fiction and appoints compositions that are discussed in scientific productions to be ancestors of the detective genre The last focus on this thesis is the adaption of the characteristics of a typical detective story to easily check if Poe s *The Murders in the Rue Morgue* is a real detective story At the end of this seminar paper the following questions should be answered Has nobody ever written a detective story before or are there preforms that are related to detective stories Is Edgar Allan Poe really the inventor of detective fiction Edgar Allan Poe was one of the most famous American authors who is especially famous for his over seventy short stories He was a master of suspense and of the macabre and succeeded in many different types of literature such as horror poetry criticism mystery tales and sketches Furthermore many claim him to be the father of the detective story Subverting Sex, Gender, and Genre in Cuban and Mexican Detective Fiction Ailsa Peate,2024-09-25 The presence of bodies and sex in detective fiction has been a long term feature of this internationally popular genre Titillation is at the centre of narratives reliant upon discovery and revelation motives and criminals are slowly revealed along with sexualized and violated bodies from femmes fatales to the corpses of victims A satisfying gratifying genre for its readership the detective novel promises the disruption and subsequent restoration of order in societies tarnished by disillusionment which hope for a better future This book takes as its focus examples of detective fiction from Cuba and Mexico during or in the aftermath of huge social upheaval the Special Period and the War on Drugs analyzing representations of sexualities bodies and the genre itself Through an investigation of novels by Leonardo Padura and Amir Valle of Cuba and Belfrage and Rogelio Guedea of Mexico this work investigates increasingly fluid sexualities and bodies in challenging examples of metaphysical detective fiction a particularly anxious subgenre which challenges both the structures and limits of the detective novel and the reader s understanding of true and false and right and wrong representative of troubling periods of severe social disruption for Cuba and Mexico

Masters of Mystery and Detective Fiction J. Randolph Cox,1989 For more than a century the mystery and detective story has been among the most popular forms of fiction in bookstores and libraries Some writers Edgar Allan Poe or Dashiell Hammett for example have attracted a considerable body of critical response others have been the focus of less scrutiny This bibliography is intended for the student general reader or mystery buff who needs some basic information about the mystery genre and its representative authors Selective rather than exhaustive it serves as an introduction Entries on the life and work of seventy five writers from Margery Allingham Raymond Chandler and Amanda Cross to P D James John D MacDonald Edgar Allan Poe Ellery Queen and Georges Simenon appear **Twentieth Century Crime & Mystery Writers** NA NA,2015-12-25

Reader's Guide to Literature in English Mark Hawkins-Dady,1996 First Published in 1996 Routledge is an imprint of Taylor Francis an informa company **Purity and Contamination in Late Victorian Detective Fiction** Christopher Pittard,2011 Concentrating on works by authors such as Fergus Hume Arthur Conan Doyle Grant Allen L T Meads and Marie

Belloc Lowndes Christopher Pittard explores the complex relation between the emergence of detective fictions in the 1880s and 1890s and the concept of purity The centrality of material and moral purity as a theme of the genre Pittard argues both reflected and satirised a contemporary discourse of degeneration in which criminality was equated with dirt and disease and where national boundaries were guarded against the threat of the criminal foreigner Situating his discussion within the ideologies underpinning George Newnes Strand Magazine as well as a wide range of nonfiction texts Pittard demonstrates that the genre was a response to the seductive and impure delights associated with sensation and gothic novels Further Pittard suggests that criticism of detective fiction has in turn become obsessed with the idea of purity thus illustrating how a genre concerned with policing the impure itself became subject to the same fear of contamination Contributing to the richness of Pittard s project are his discussions of the convergence of medical discourse and detective fiction in the 1890s including the way social protest movements like the antivivisectionist campaigns and medical explorations of criminality raised questions related to moral purity

The Collector's Book of Detective Fiction Eric Quayle,1972 A survey history of detective stories

50 GREATEST DETECTIVE STORIES Terry O'Brien,2021-01-15 IT IS THE HOUR WHEN CRIME VICE AND WICKEDNESS REIGN The speck of dust on the carpet Half smoked cigar Blood stains and a corpse Welcome to the crime scene and feel free to cross 50 Greatest Detective Stories is an unparalleled treasury of detective fiction that every fan will cherish Offering the finest examples from writers across varied generations this collection charts the detective stories making the reader s adrenaline rise and fall as the episodes unfold Each story takes one into the labyrinth of the unfamiliar within the familiar Now it is your turn to be the detective as you read on and decode the mystery Do enter the labyrinth

The Great Detective Stories S. S. Van Dine,Willard Huntington Wright,1927

On Detective Fiction and Other Things George Frederick McCleary,1960

Whodunit? Rosemary Herbert,2003-05-08 Who populates the pages of crime and mystery writing Who are the characters we willingly follow into the mystery genre s uneasy imaginative territory And who created those characters in the first place What life experience and expertise informs their work What are the sources of their themes regional accents and even the axes that some grind Why do some wish to give us a good laugh while others seem hell bent on making us shudder Whodunit answers these questions and more Here mystery expert Rosemary Herbert brings together enlightening and entertaining information on hundreds of classic and contemporary characters and authors Some such as P D James Ian Rankin Sherlock Holmes and Kinsey Millhone appear in individual entries Still more keep company in articles about characters we admire such as the Clerical Sleuth and in pieces about those we love to hate including the Femme Fatale and Con Artist There is even an article on a figure that haunts so many great works of mystery The Corpse Drawing on the Edgar Award nominated volume The Oxford Companion to Crime Mystery Writing Herbert adds 101 new entries on the hottest new names in works ranging from puzzling whodunits to chilling crime novels

Reviewing **Detective Fiction**: Unlocking the Spellbinding Force of Linguistics
