Catalog of Copyright Entries. Third Series Library of Congress. Copyright Office,1978 *War, Peace and the Military* Franz Kernic,2023-03-17 This book is a comprehensive analysis of the various social science approaches to explaining and interpreting war peace and the military Its central aim is to trace and reconstruct those basic assumptions constructed and thought processes undertaken by modern social sciences in their research and conceptualization of military violence and the use of force In addition to such reconstruction the aim is also to enquire into the preconditions of such thought This study therefore eschews the development of an explicit strategy in the sense of a research strategy but instead is much more concerned with thinking about its subject matter by means of re thinking and reflecting upon different theoretical approaches and problems The investigation includes a critical reexamination of the tradition of military sociological research from the beginning of modern sociology to late twentieth century theoretical approaches regarding the security focused and or war driven aspects of modern society **Books in Print** ,1994 **Catalogue of Title-entries of Books and Other Articles Entered in the Office of the Librarian of Congress, at Washington, Under the Copyright Law ...
