with people who hold opposing views without sacrificing our values or our passionate beliefs in the causes we care about It s a culture that embraces repentance and repair a process through which those who have caused harm can take responsibility and work toward righting the wrongs in which they have participated It s a place where we re empowered to see the possibility in other people even people who are driving us nuts Provocative original and filled with deep wisdom Saving Grace is an essential read for anyone engaged in the struggle to live compassionately in an era of relentless demonization and division
