## **Detraditionalization Critical Reflections On Authority And Identity At A Time Of Uncertainty:**

**Participatory Learning** Chris A. M. Hermans, 2003-01-01 Annotation Hermans professor of identity of Catholic schools and religious education Catholic U of Nijmegen the Netherlands analyzes religious education in the context of globalization as a cultural phenomenon a phenomenon characterized by processes of rationalization fragmentation and transformation He explores the changing nature of tradition in terms of Christian concepts of transcendence and immanence as it relates to education After attempting to define the characteristics of religion as experience language and practice he proposes a concept of religious instruction based on participation Participatory learning is defined as developmental social mediated and meaningful learning Annotation c 2003 Book News Inc Portland OR booknews com **Being Catholic in the**

**Contemporary Philippines** Jayeel Serrano Cornelio, 2016-06-23 This book based on extensive original research examines the nature of Catholicism in the contemporary Philippines It shows how Catholicism is apparently flourishing with good attendance at Sunday Masses impressive religious processions and flourishing charismatic groups and with interventions by the Catholic hierarchy in national and local politics However focusing in particular on the beliefs and practices of young people the book shows that young people are often adopting a different more individualised approach to Catholicism which is frequently out of step with the official position It considers the features of this a more personal and experiential relationship with God a new approach to morality in which right living is seen as more important than right believing and a critical view of what is seen as the Catholic hierarchy's misguidedness The book argues that this reinterpreting of religion by young people has the potential to alter fundamentally the nature of Catholicism in the Philippines but that nevertheless young people's new approach involves a solid enduring commitment and a strong view of their own Catholic religious identity

**Cultural Heritages as Reflexive Traditions** U. Kockel, M. Nic Craith, Máiréad Nic Craith, 2006-12-08 Drawing on anthropological fieldwork this book presents case studies illustrating the re conceptualization of heritages and traditions in selected locations in Africa Asia Australia and Europe The authors review the importance of oral traditions as markers of identity and consider competing narratives of heritage in postcolonial societies **Hermeneutics and Religious**

**Education** Herman Lombaerts, Didier Pollefeyt, 2004 **Transformations** Sara Ahmed, 2000 This text is a thorough reassessment of feminism's place in contemporary life The book traces both the shifts that have allowed feminism to arrive at its present point and the way that feminist agendas have progressed **Forthcoming Books** Rose Arny, 1996-06 *The*
