Detroit in the Civil War Alfred John Freitag,1951 A history of the civil war in Detroit     "Old Slow Town" Paul Taylor,2013-10-15 Readers interested in American history Civil War history or the ethnic history of Detroit will appreciate the full picture of the time period Taylor presents in Old Slow Town     **Michigan in the Civil War** Helen Harriet Ellis,Michigan Civil War Centennial Observance Commission,1965     *History of the Twenty-fourth Michigan of the Iron Brigade, Known as the Detroit and Wayne County Regiment ...* Orson Blair Curtis,1891     **Fort Wayne, Detroit and the Civil War** CKLW (Radio station : Windsor, Ont.),1964     Michigan Civil War Landmarks David Ingall & Karin Risko,2015

When America faced its greatest internal crisis Michigan answered the call with over ninety thousand troops The story of that sacrifice is preserved in the state s rich collection of Civil War monuments markers forts cemeteries reenactments museums and exhibits Discover how General George A Custer and the famed Michigan Cavalry Brigade saved the Union Visit the chair that President Lincoln was assassinated in at Ford s Theatre and view the grave of the last African American Union veteran With a foreword by Civil War historian Jack Dempsey this work is the first of its kind to chronicle the many Civil War landmarks in the Wolverine State Book jacket     **Detroit in the Civil War, By Alfred J. E. Johnson,2007 Back in the beginning days of America s Civil War the women of the small town of Marlette Michigan in the very heart of the Thumb wanted to show their support of President Lincoln and the Union forces in some small way They collectively designed and sewed a huge Union flag of 34 stars four rows of eight with an extra star at the end in between each two rows This precious flag was then given to a gentleman they knew who lived just to the south who was leaving for the war Color Sergeant Thomas Henry Sheppard s story along with that of the Battle Flag of Company E First Michigan Cavalry is one of the most incredible true stories to ever come out of the Civil War The Detroit Free Press back in the 1880 s called it an episode of the Civil War which has a strong coloring of Romance as the Press told of how the colors of the First Michigan Cavalry were protected as the red white and blue bunting became more and more tattered and sun faded and bullet ridden and still the flag assumed a dignity and interest even beyond that which the colors have of their own right to every loyal man Thomas account intersects with the lives of two of the War s most

famous Generals and is written by a close relative of the third The Color Sergeant took the colors and with his regiment carried them to the front lines where they saw hot service and from which many did not return In his words the 1st Michigan fought through the Shenandoah on Banks advance and retreat in the campaigns of Pope and Burnside and did yeoman service at the Battle of Gettysburg They were under fire twice at Winchester at Middletown Strasburg Harrisonburg Occoquan and Thoroughfare Gap Sheppard and his flag survived 13 major battles over 100 skirmishes and 16 months of war Thomas following right behind his flamboyant new General Custer led the First Michigan Cavalry into the most famous cavalry charge of the entire war as they stopped the Confederacy short of their certain victory in Pickett s Charge at Gettysburg on July 3 1863 Alas Thomas and his beloved flag went down in that fight and he became a Prisoner of War spending the next 505 days in prisons of the South including that Hell hole ANDERSONVILLE While all that is stunning enough the rest of Sheppard s story is almost beyond belief as many years later he has a chance encounter with the Civil War s most famous Volunteer General Black Jack Logan at the train station in Marlette during Logan s whistle stop campaign for the Vice Presidency of the United States Thomas precious flag with 72 bullet holes that old flag is now the proudest possession of the Dearborn Historical Museum in the Commandant s Quarters at the Detroit Arsenal now Sgt John S Cosbey Camp 427 Sons of Union Veterans of the Civil War SUVCW where Thomas and the First Michigan Cavalry received their war supplies He kept the colors

Michigan s War John W. Quist,2019-03-26 When it came to the Civil War Michiganians never spoke with one voice At the beginning of the conflict family farms defined the southern Lower Peninsula while a sparsely settled frontier characterized the state s north Although differing strategies for economic development initially divided Michigan s settlers by the 1850s Michiganians attention increasingly focused on slavery race and the future of the national union They exchanged charges of treason and political opportunism while wrestling with the meanings of secession the national union emancipation citizenship race and their changing economy Their actions launched transformations in their communities their state and their nation in ways that Americans still struggle to understand Building upon the current scholarship of the Civil War the Midwest and Michigan s role in the national experience Michigan s War is a documentary history of the Civil War era as told by the state s residents and observers in private letters reminiscences newspapers and other contemporary sources Clear annotations and thoughtful editing allow teachers and students to delve into the political social and military context of the war making it ideal for classroom use
