Handbook on the History of European Banks Manfred Pohl, 1994-01-01 Analyse Banque cantonale vaudoise p 1072 1078 The Oxford Handbook of Banking and Financial History Youssef Cassis, Richard S. Grossman, Catherine R. Schenk, 2016-07-21 The financial crisis of 2008 aroused widespread interest in banking and financial history among policy makers academics journalists and even bankers in addition to the wider public References in the press to the term Great Depression spiked after the failure of Lehman Brothers in November 2008 with similar surges in references to economic history at various times during the financial turbulence In an attempt to better understand the magnitude of the shock there was a demand for historical parallels How severe was the financial crash Was it in fact the most severe financial crisis since the Great Depression Were its causes unique or part of a well known historical pattern And have financial crises always led to severe depressions Historical reflection on the recent financial crises and the long term development of the financial system go hand in hand This volume provides the material for such a reflection by presenting the state of the art in banking and financial history Nineteen highly regarded experts present chapters on the economic and financial side of banking and financial activities primarily though not solely in advanced economies in a long term comparative perspective In addition to paying attention to general issues not least those related to theoretical and methodological aspects of the discipline the volume approaches the banking and financial world from four distinct but interrelated angles financial institutions financial markets financial regulation and financial crises

Business in the Age of Extremes Hartmut Berghoff, Jürgen Kocka, Dieter Ziegler, 2013-01-28 This collection of essays explores the impact that nationalism capitalism and socialism had on economics during the first half of the twentieth century Focusing on Central Europe contributors examine the role that businesspeople and enterprises played in Germany's and Austria's paths to the catastrophe of Nazism Based on new archival research the essays gathered here ask how the business community became involved in the political process and describes the consequences arising from that involvement Particular attention is given to the responses of individual businesspeople to changing political circumstances and their efforts to balance the demands of their consciences with the pursuit for profit

Decision Taking, Confidence and Risk Management in Banks from Early Modernity to the 20th Century Korinna Schönhärl, 2017-01-26 This book offers 14 contributions that examine key questions in bank decision taking constitution of confidence in banks and risk management practices from Early Modernity to the twentieth century It explores how the various mechanisms of bank decision taking changed over time Chapters also analyse the types of risk management techniques used the contributory factors to the constitution of confidence and the methods that banking historians can use to analyse and describe bankers risk management and decision taking from system theory to behavioural finance new institutional economics to praxeology and convention theory to network analysis The different methodological approaches are put to the test in case studies based on archive material from four hundred years of banking in order to connect banking
