Deutsche Theatergeschichte

Max Martersteig

Deutsche Theatergeschichte:

Deutsche Theatergeschichte Wolfgang Stammeler, 1925 **Historical Dictionary of German Theater** William Grange, 2015-06-17 The German language theater is one of the most vibrant and generously endowed of any in the world. It boasts long and honored traditions that include world renowned plays, playwrights, actors, directors, and designers, and several German theater artists have had an enormous impact on theater practice around the globe. Students continue to study German plays in dozens of languages, and every year scores of German plays are produced in a wide variety of non-German venues. This second edition of *Historical Dictionary of German Theater* covers its history through a chronology, an introductory essay, appendixes, and an extensive bibliography. The dictionary section has over 400 cross-referenced entries on directors, designers, producers, and movements, such as Regietheater, post-dramatic approaches to theater production, the *freie Szene* of independent non-subsidized groups, the role of increasingly massive government subsidies, and cities whose reputations as centers of innovation and excellence have made the German language theater one of the most vibrant anywhere on earth. This book is an excellent access point for students, researchers, and anyone wanting to know more about German Theater. *Wesen und Aufgabe der deutschen Theatergeschichte* Friedrich Rosenthal, 1928 *Kulturbilder aus der deutschen Theatergeschichte* Hans Calm, Alfred Jericke, 1925 **Die Hamlet-Darstellungen Daniel Chodowieckis und ihr Quellenwert für die deutsche Theatergeschichte des 18. Jahrhunderts** Bruno Voelcker, 1916 *Die Hamlet-Darstellungen Daniel Chodowieckis und ihr Quellenwert für die deutsche Theatergeschichte des 18. Jahrhunderts* Bruno Voelcker, 1915 **Das deutsche Theater und Drama im 19. Jahrhundert** Wilhelm Kosch, 1913 **Das Deutsche Theater**, 1924 **Das deutsche Theater im neunzehnten Jahrhundert** Max Martersteig, 1904 **German Books** Börsenverein der Deutschen Buchhändler zu Leipzig (Germany), 1925 **Das Deutsche Element Der Stadt New York**, 1913 *Monatsschrift Für Das Deutsche Geistesleben*, 1903 **Music in German Immigrant Theater** John Koegel, 2009 A history the first ever of the abundant traditions of German American musical theater in New York and a treasure trove of songs and information. Nineteenth-century New York was after Berlin and Vienna the third largest German-populated city in the world. German language musical plays and light operas held an important niche in the lives of German immigrants and their families. John Koegel's *Music in German Immigrant Theater New York City 1840-1940* tells for the first time the engrossing story of these theater works and the many musical numbers from them that became popular as separate songs. Koegel documents performances in German of plays by Shakespeare and Goethe and operas by Offenbach, Verdi, and Johann Strauss. And he draws long-needed attention to German American musical comedies written beginning in the 1890s by ethnic parodist Adolf Philipp. As their titles suggest, *Der Corner Grocer aus der Avenue A* and *Der Pawnbroker von der Eastside* these musicals related directly to the daily experiences of the immigrant population. *Music in German Immigrant Theater* is enriched by copious photographs, sheet music, title pages, and musical examples, as well as numerous sets of song lyrics, some

uproarious others touching in German and in English translation The accompanying CD includes recordings of many of the songs discussed in the book John Koegel is Professor of Musicology at California State University Fullerton WINNER 2009 ForeWord Reviews Book of the Year Award music category This book is also included in the AAUP's 2010 University Press Books Selected for Public and Secondary School Libraries along with a number of other URP books by experiences of the immigrant population Music in German Immigrant Theater is enriched by copious photographs sheet music title pages and musical examples as well as numerous sets of song lyrics some uproarious others touching in German and in English translation The accompanying CD includes recordings of many of the songs discussed in the book John Koegel is Professor of Musicology at California State University Fullerton WINNER 2009 ForeWord Reviews Book of the Year Award music category This book is also included in the AAUP's 2010 University Press Books Selected for Public and Secondary School Libraries along with a number of other URP books by experiences of the immigrant population Music in German Immigrant Theater is enriched by copious photographs sheet music title pages and musical examples as well as numerous sets of song lyrics some uproarious others touching in German and in English translation The accompanying CD includes recordings of many of the songs discussed in the book John Koegel is Professor of Musicology at California State University Fullerton WINNER 2009 ForeWord Reviews Book of the Year Award music category This book is also included in the AAUP's 2010 University Press Books Selected for Public and Secondary School Libraries along with a number of other URP books the book John Koegel is Professor of Musicology at California State University Fullerton WINNER 2009 ForeWord Reviews Book of the Year Award music category This book is also included in the AAUP's 2010 University Press Books Selected for Public and Secondary School Libraries along with a number of other URP books
