## **Developing Library Collections For:**

*Guidelines for Collection Development* American Library Association. Collection Development Committee, David Perkins, 1979 Includes guidelines for *Developing Library and Information Center Collections* G. Edward Evans, Margaret R. Zarnosky, Margaret Zarnosky Saponaro, 2000 This new work addresses the challenges of electronic publishing and puts issues of collection development into perspective providing a broad understanding of the collection development process The book covers all phases of collection development from needs assessment policies and the selection process theory and practice to publishers serials protection legal issues and censorship and intellectual freedom This work addresses the challenges of electronic publishing and puts issues of collection development into perspective providing students and practitioners of library and information science with a broad understanding of the collection development process The book covers all phases of collection development from needs assessment policies and the selection process theory and practice to publishers serials protection legal issues and censorship and intellectual freedom Each chapter has been expanded and updated with new material and reading lists In addition a chapter that is new to this edition deals with e serials and two appendixes contain samples of policies related to electronic concerns It is an excellent survey of the state of the art of collection development and a comprehensive text

**Collection Development in a Digital Environment** Sul H Lee, 1999-09-20 Librarians and other library professionals will find this informative book chock full of thought provoking papers that will help you find new solutions to the collection development problems your library may experience while facing this new digital age Collection Development in a Digital Environment is a result of papers presented at the 1998 University of Oklahoma Libraries Conference You will discover ways to help your library take the lead in advancing the academic agenda through technology while at the same time leaning how technology requires change in the way libraries themselves operate Collection Development in a Digital Environment explores ethical and technological dilemmas of collection development and gives several suggestions on how your library can successfully deal with these challenges and provide patrons with the information they need This guide covers many valuable ways that your library can be better prepared for developing a user friendly collection of materials in this new digital age You will discover how methods to shift your library from buying materials for collections for faculty or students that may need them sporadically to a system of responsiveness and customization where just in time and just for you are the standards of information access making you and your library both time effective and cost effective Collection Development in a Digital Environment brings to light many ways in which libraries can improve collection development methods such as using the Association of Research Libraries ARL initiatives to improve global access to information such as the Global Resources Program which features a seamless web of interconnected coordinated and interdependent research collections that are electronically accessible to users examining discussions on scenario driven planning and the benefits of having your patrons let you know what they are interested in instead of guessing

what materials they may be interested in analyzing the influence of the World Wide Web on the role of libraries to discover how you can use these ideas to expand the collection of materials in your library gaining insight into how the concept of disintermediation in the publishing process will help libraries use the electronic environment to eliminate intermediate sources and collect materials directly from the publisher thus saving time and money From the insightful chapters in Collection Development in a Digital Environment you will find new and successful ways to use the new digital environment to enhance collection development in your library This unique book will help your library be more digitally accessible while still being user friendly to your clientele **Fundamentals of Collection Development and Management** Peggy

Johnson,2009-01-01 In this fully updated revision expert instructor and librarian Peggy Johnson addresses the art in controlling and updating your library s collection **Collection Development Policies** Daniel C. Mack,2003 Get the tools you need to build a collection development policy that will help your library run efficiently today and in the future Considering the amount and variety of topics being published effectively organizing and guiding a library in today s accelerated world is no easy task Collection Development Policies New Directions for Changing Collections is the contemporary librarians guide to building or revising a first rate collection development policy In this up to date book experts in the field take you step by step through the publishing process from writing an initial draft to applying the official copy Find out what did and did not work in their own practices and get the tools you ll need to tackle any obstacles you may encounter Collection Development Policies New Directions for Changing Collection covers a variety of topics including pricing policies and remote storage facilities without leaving out the traditional concerns of space and funding This valuable book also addresses the needs of specialized collections with information on acquisition policies for contemporary subjects collections and building subject specific policy statements Experienced professionals examine the stability of the electronic resources market and explain how the impact of technical services is redefining the access collection and cataloging of libraries Collection Development Policies also provides examples of collection policies currently in use Read about the subject specific policy statements of Schreyer Business Library and the women s studies collection at Pennsylvania State University Berkeley s Collection Development Policy CDPS and the factors hindering its revision the creation and revision of St John s University s collection development policy Simmons College s Graduate School of Library and Information Science s term project and syllabus and how it can be applied to functioning libraries the Association of Research Libraries Web pages and how they have been influenced by the electronic management revolution Collection Development Policies New Directions for Changing Collection is a valuable resource for anyone selecting and acquiring library materials maintaining a library collection or building a collection development policy The information in this book will help you organize your library collection in a manner that will be beneficial not only to you but to your clients as well **Collection Development and Management for 21st Century Library Collections** Vicki L. Gregory,2019-07-03 Packed with discussion questions activities suggested

additional references selected readings and many other features that speak directly to students and library professionals Gregory's *Collection Development and Management for 21st Century Library Collections* is a comprehensive handbook that also shares myriad insightful ideas and approaches valuable to experienced practitioners This new second edition brings an already stellar text fully up to date presenting top to bottom coverage of the impact of new technologies and developments on the discipline including discussion of e books open access globalization self publishing and other trends needs assessment policies and selection sources and processes budgeting and fiscal management collection assessment and evaluation weeding with special attention paid to electronic materials collaborative collection development and resource sharing marketing and outreach self censorship as a component of intellectual freedom professional ethics and other legal issues diversity and ADA issues preservation and the future of the field Additional features include updated vendor lists samples of a needs assessment report a collection development policy an approval plan and an electronic materials license Library Collections, Their Origin, Selection, and Development Richard K. Gardner, 1981 Types of library materials how they are produced and marketed Creating library materials Distributing library materials Types of publishers Nonprint and other specialized materials Finding out about library materials Reviews and reviewing Aids to retrospective collection development Building collections Selection theory and principles Selection procedures Weeding and storage Collection development policies Collection evaluation and standards Resource sharing Censorship Developing Library Collections for Today's Young Adults Amy S. Pattee, 2020-02-14 In the five years since the first edition of *Developing Library Collections for Today's Young Adults* was published numerous changes have taken place in the landscape of young adult literature and young adult library services Informed by the professional activism including the We Need Diverse Books wndb movement today's professionals recognize that library collections for young adults are incomplete if they fail to address and reflect a diversity of racial ethnic and cultural identities gender identities sexual orientations and identities related to ability and disability Contemporary librarians working to diversify their collections select material in a number of formats and must consider the accessibility of both old and new media as they select titles and resources *Developing Library Collections for Today's Young Adults* Ensuring Inclusion and Access Second Edition offers guidance to librarians confronted with an expanding universe of published material from which to select With special emphasis on the principles of inclusion and accessibility this new edition of *Developing Library Collections* includes guidelines for creating a young adult collection development policy conducting a needs assessment and evaluating and selecting print and nonprint material for the library's YA collection *Library Collection Development for Professional Programs: Trends and Best Practices* Holder, Sara, 2012-07-31 Collection development the process used by librarians to choose items for a particular library or section of a library can be time consuming and difficult due to the many factors that must be taken into consideration *Library Collection Development for Professional Programs Trends and Best Practices* addresses the challenging task of collection development in modern

academic libraries which is largely learned on the job This publication contains practical advice and innovative strategies essential for current collection development librarians and future librarians seeking guidance in this complex position

**Developing Library Collections for Today's Young Adults** Amy Pattee,2020 In the five years since the first edition of *Developing Library Collections for Today's Young Adults* was published numerous changes have taken place in the landscape of young adult literature and young adult library services Informed by the professional activism including the We Need Diverse Books wndb movement today's professionals recognize that library collections for young adults are incomplete if they fail to address and reflect a diversity of racial ethnic and cultural identities gender identities sexual orientations and identities related to ability and disability Contemporary librarians working to diversify their collections select material in a number of formats and must consider the accessibility of both old and new media as they select titles and resources

*Developing Library Collections for Today's Young Adults Ensuring Inclusion and Access Second Edition* offers guidance to librarians confronted with an expanding universe of published material from which to select With special emphasis on the principles of inclusion and accessibility this new edition of *Developing Library Collections* includes guidelines for creating a young adult collection development policy conducting a needs assessment and evaluating and selecting print and nonprint material for the library's YA collection ct With special emphasis on the principles of inclusion and accessibility this new edition of *Developing Library Collections* includes guidelines for creating a young adult collection development policy conducting a needs assessment and evaluating and selecting print and nonprint material for the library's YA collection ct With special emphasis on the principles of inclusion and accessibility this new edition of *Developing Library Collections* includes guidelines for creating a young adult collection development policy conducting a needs assessment and evaluating and selecting print and nonprint material for the library's YA collection ct

*Developing an Outstanding Core Collection* Carol Alabaster,2010-02-26 Carol Alabaster focuses on developing a collection with high quality materials while saving time and money *Collection Development and Collection Evaluation* Michael R. Gabriel,1995 Contains approximately 2 000 citations to books periodical articles theses and scholarly papers in English a comprehensive guide to literature useful to all librarians interested in strengthening their collection development operation policies and procedures PUBLIC LIBRARY QUARTERLY

**Developing Library Collections** G. Edward Evans,1979 **Developing Library Collections for Today's Young Adults** Amy S. Pattee,2020-02-14 In the five years since the first edition of *Developing Library Collections for Today's Young Adults* was published numerous changes have taken place in the landscape of young adult literature and young adult library services Informed by the professional activism including the We Need Diverse Books wndb movement today's professionals recognize

that library collections for young adults are incomplete if they fail to address and reflect a diversity of racial ethnic and cultural identities gender identities sexual orientations and identities related to ability and disability Contemporary librarians working to diversify their collections select material in a number of formats and must consider the accessibility of both old and new media as they select titles and resources

*Developing Library Collections for Today's Young Adults* Ensuring Inclusion and Access Second Edition offers guidance to librarians confronted with an expanding universe of published material from which to select With special emphasis on the principles of inclusion and accessibility this new edition of *Developing Library Collections* includes guidelines for creating a young adult collection development policy conducting a needs assessment and evaluating and selecting print and nonprint material for the library's YA collection *School Library Collection Development* Claire Gatrell Stephens, Patricia Franklin, 2012-09-11 This practical manual demystifies the process of creating and maintaining a quality school library collection an invaluable resource for anyone working in a library media center Today's school librarians have many different responsibilities but arguably the most important aspect of their job is developing and maintaining a collection that their library customers love *School Library Collection Development Just the Basics* is an accessible practical manual that explains the fundamentals of purchasing developing and managing a collection Containing information useful to anyone from a paraprofessional working under the guidance of a certified school librarian to a newcomer to the field to a certified media specialist this book covers all of the basics through best practices The authors provide much needed advice on how to add to an existing collection how to weed books no longer needed and how to process and inventory that collection This book is a must have resource for staff members who are new to school libraries and need an easy to read guide to help them quickly learn the job *Developing Library Collections for Today's Young Adults* Amy Pattee, 2014 *Developing Library Collections for Today's Young Adults* is a definitive guide to selecting and building 21st century library collections from print books to electronic material including ebooks databases websites and games and audio visual material including audiobooks and DVDs *Collection Development and Management for 21st Century Library Collections* VICKY L. GREGORY, 2018-08-30 *Collection Development and Management for 21st Century Library Collections* is an A to Z guide perfect for students and beginning librarians yet full of sage advice and new ideas for experienced practitioners Collection development and management practices like most everything in the library world are changing rapidly This fully revised second edition will fill different gaps created by this flux and bring the book up to date on electronic materials and new practices Each chapter includes discussion questions activities references and selected readings Key features include samples of a needs assessment report a collection development policy an approval plan and an electronic materials license Featuring an updated vendor list an updated bibliography and updated materials for use on a Web Extra including new collection development plans with accompanying permissions this new edition covers new technology and self publishing self censorship as a component of intellectual freedom new and revised electronic sources for selection

with emphasis on electronic sources weeding of electronic materials      *Working with Library Collections* Hali R. Keeler, 2017-01-05 *Working with Collections* An Introduction for Support Staff deals with the technical service aspect of library work the processes that put a book on the shelf or online It provides an introduction to publishers vendors preparing items for use and caring for items in the collections and is both a text for professors who teach in library support staff programs and their students and an introductory manual for support staff who work in libraries This material is written in clear language with practical examples of how performance can contribute to exemplary library service It is aligned with the ALA support staff standards and prepares library support staff to Know how to use an integrated library system and other appropriate online tools Know the basic principles of collection development and management Assist with decisions regarding selection de selection retention and replacement of all types of library resources Know the basic principles and can apply the appropriate procedures to the processes that provide users with access to a wide variety of content Know the various ways in which content in multiple formats is produced and distributed to libraries Understand the value of resource sharing agreements and apply them to collection decisions Know and use the recognized standard evaluative sources to assist with collection development Know the principles and basic practices regarding the preservation of library resources Apply appropriate methods and techniques for accurate preparation of library resources Explain and apply policies regarding library collections      Rethinking Collection Development and Management Becky Albitz, Christine Avery, Diane Zabel, 2014-02-25 This collection of thought provoking essays by visionary and innovative library practitioners covers theory research and best practices in collection development examining how it has evolved identifying how some librarians are creatively responding to these changes and predicting what is coming next *Rethinking Collection Development and Management* adds a new and important perspective to the literature on collection development and management for 21st century library professionals The work reveals how dramatically collection development is changing and has already changed supplies practical suggestions on how librarians might respond to these advancements and reflects on what librarians can expect in the future This volume is a perfect complement for textbooks that take a more traditional approach offering a broad forward thinking perspective that will benefit students in graduate LIS programs and guide practitioners collection development officers and directors in public and academic libraries A chapter on collection development and management in the MLIS curriculum makes this volume especially pertinent to library and information science educators      **Public Library Collection Development in the Information Age** Annabel Stephens, 1998-08-21 *Public Library Collection Development in the Information Age* discusses the increasing amounts of information that are used in collection development Case studies interviews and research are the basis for this book s suggestions to improve your collection methods without straining your library s budget It will help you acquire the most useful materials while sharing information with collaborating libraries to offer patrons the latest and largest variety of resources Discussing a topic that is scarcely addressed in collection literature

this book explores ways in which one informational medium the Internet impacts materials budgets selection tools and alternative sources of information during the selection process Offering methods that apply to libraries of different sizes and financial capability Public Library Collection Development in the Information Age provides you with ideas and suggestions for the improvement of collection development methods including examining how libraries use information to plan and budget for collection development developing a budget method that takes several factors into consideration such as population impact property tax revenues circulation reference needs and client needs centralizing selections in order to allocate additional staff time and to choose resources patrons want without sacrificing the utility of local collections building public library collections with the assistance of vendors and the five levels of vendor participation using the conspectus method to assess and organize the collections of small libraries for easier access researching three public libraries in the United Kingdom to determine how varying levels of automation affect patron resources and services To help you integrate the appropriate electronic resources into collection development policies and procedures Public Library Collection Development in the Information Age discusses which formats access methods pricing schemes and differences in scope will best meet your selection needs Containing proven strategies that will target your collection priorities and criteria to evaluate the use and effectiveness of electronic resources this book will help revise your collection development methods to satisfy the informational needs of patrons
