Regional And Sectoral Development In Mexico As Alternatives To Migration Sergio Diaz-briquets,Sidney Weintraub,2019-07-11 This volume examines a number of regional and sectoral developments in Mexico and assesses how they are related to undocumented migration to the United States representing efforts to identify productive alternatives to the problem of migration *Housing for Seniors* Douglas R. Porter,Susan B. Brecht,Urban Land Institute,1995 **Senior Housing Marketing** Diane Masson,2011-05-02 It s challenging for senior citizens to sell their homes and move into retirement communities But obviously they are doing it Do you want them to relocate to your place or your competitor s This book was written to help CEOs CFOs administrators and marketing directors determine if their marketing teams are performing optimally with every single marketing encounter Find out if your marketing team might be sabotaging potential sales Discover new strategies to develop a strong and consistent occupancy marketing program The strategies within this book will also provide your new or current salesperson insight into the senior mindset and how to strategically sell your retirement community While many senior living communities have been coasting on robust wait lists for years in many cities the days of lists are gone and apartment homes are sitting open You and your team may be experiencing some challenges in occupancy for the first time Is it the economy Your team Or your strategy This book will provide you with 12 keys to building occupancy at your retirement community Sometimes you need to search for and identify a problem in order to solve it If you keep doing what you are currently doing you will end up with the same results Or worse 12 keys to unlock your senior housing occupancy blockade Effective strategies for independent living assisted living and CCRCs Could your sales team be unknowingly sabotaging their sales Beneficial for CEOs CFOs marketing staff and other key team members Every chapter is designed to help your financial performance Discover surprising reasons why occupancy could be down New sales and marketing people will be successful sooner How to increase occupancy to 100 percent for existing retirement communities Ideas on how to market a developing senior housing community Tips in every chapter to start helping your occupancy increase today *Design for the Changing Educational Landscape* Andrew Harrison,Les Hutton,2013-10-15 The whole landscape of space use is undergoing a radical transformation In the workplace a period of unprecedented change has created a mix of responses with one overriding outcome observable worldwide the rise of distributed space In the learning environment the social political economic and technological changes responsible for this shift have been further compounded by constantly developing theories of learning and teaching and a wide acceptance of the importance of learning as the core of the community resulting in the blending of all aspects of learning into one seamless experience This book attempts to look at all the forces driving the provision and pedagogic performance of the many spaces real and virtual that now accommodate

the experience of learning and provide pointers towards the creation and design of learning centred communities Part 1 looks at the entire learning universe as it now stands tracks the way in which its constituent parts came to occupy their role assesses how they have responded to a complex of drivers and gauges their success in dealing with renewed pressures to perform It shows that what is required is innovation within the spaces and integration between them Part 2 finds many examples of innovation in evidence across the world in schools the higher and further education campus and in business and cultural spaces but an almost total absence of integration Part 3 offers a model that redefines the learning landscape in terms of learning outcomes mapping spatial requirements and activities into a detailed mechanism that will achieve the best outcome at the most appropriate scale By encouraging stakeholders to creating an events based rather than space based identity the book hopes to point the way to a fully integrated learning landscape a learning community

Re-creating Neighborhoods for Successful Aging Pauline S. Abbott, 2009 Re creating Neighborhoods for Successful Aging provides a crucial foundation for confronting the growing aging population s demands for appropriate housing and environments This current demographic shift is causing a transformation of attitudes and perspectives about growing older retirement and senior housing To ensure that physical environments meet the changing needs of older adults a reconception of housing communities and neighborhoods is required Drawing from the fields of gerontology health sciences community planning landscape architecture and environmental design this groundbreaking resource provides an in depth examination of current elder housing practices and strategies alongside goals for the future Housing models such as continuing care retirement communities CCRCs shared housing and co housing are evaluated and best practice recommendations are presented The book closes with an inspiring look at opportunities for future collaboration of health sciences and planning and design professionals for the realization of supportive life affirming communities that will result in healthy aging active living and continued community participation for older adults
