Development Of Grammar In Spanish And The Romance Languages:

The Development of Grammar in Spanish and The Romance Languages Eduardo D. Faingold, 2003-09-08 Researchers in Romance languages will find this book a stimulating and broad ranging treatment of the development of grammar demonstrating the relevance of markedness for both linguistic theory and language teaching A substantial and original account of a unique body of data across first and second language acquisition creolization and historical linguistics and across a wide range of languages and contact varieties demonstrates a new impetus and predictive force for markedness theory

Language Patterns in Spanish and Beyond Juan J. Colomina-Almiñana, Sandro Sessarego, 2020-10-25 The scholarly articles included in this volume represent significant contributions to the fields of formal and descriptive syntax conversational analysis and speech act theory as well as language development and bilingualism Taken together these studies adopt a variety of methodological techniques ranging from grammaticality judgments to corpus based analysis to experimental approaches to offer rich insights into different aspects of Ibero Romance grammar The volume consists of three parts organized in accordance with the topics treated in the chapters they comprise Part I focuses on structural patterns Part II analyzes pragmatic ones and Part III investigates the acquisition of linguistic aspects found in the speech of L1 L2 and heritage speakers The authors address these issues by relying on empirically rooted linguistic approaches to data collection which are coupled with current theoretical assumptions on the nature of sentence structure discourse dynamics and language acquisition The volume will be of interest to anyone researching or studying Hispanic and Ibero Romance linguistics

Introduction to the Grammar of the Romance Languages Friedrich Christian Diez, C. B. Cayley, 2008-10-01 This scarce antiquarian book is a facsimile reprint of the original Due to its age it may contain imperfections such as marks notations marginalia and flawed pages Because we believe this work is culturally important we have made it available as part of our commitment for protecting preserving and promoting the world s literature in affordable high quality modern editions that are true to the original work
