How The Hell Do You Write A Book? Vicky Fraser, 2019-11-19 It's never been easier to write and publish your own business book right up until the moment you sit down to start. In this entertaining page-turner of a guide, author and book writing expert Vicky Fraser breaks down years of experience writing and self-publishing for herself and a host of clients to share everything you need to write your own business book and use it to grow your business. You'll discover how to overcome the Blank Page Of Doom permanently, why your Inner Dickhead wants to sabotage you and how to stop it, where to find inspiration and how to cultivate your hidden creativity, how to avoid looking like an amateur, tips and tricks to make you look like the professional you are, why tedious writing is fear masquerading as professionalism and how to add a little outrageous flair, how to destroy fluff and waffle so your business book isn't overstuffed and dull, what to do at the end of your book so your reader yells "Shut up and take my money", why authors abandon their book projects and how to make sure you finish yours, and much more. Grab a copy of How The Hell Do You Write A Book now to unleash your inner author and write the book that could transform your business.

Building Business Capacity Sheryl Hardin, 2022-08-09 Change your future for the better by growing a small business. Fraction by Fraction: Building Small Business Capacity provides a roadmap to help entrepreneurs achieve exponential growth through constant improvement. Learn to own your business and avoid having your business own you. Leverage proven best practices used to guide businesses for decades. Walk through useful exercises, checklists, questionnaires, forms, and templates designed to help entrepreneurs like you gain clarity into the most essential aspects of successfully doing business because you deserve success. Too many business books talk about why to go into business. Some may even tell you what you should do once you start. However, too few answer the question of how to run your business while growing capacity. As it turns out, there is a secret to success. Proven best practices are best practices for a reason. It does not matter if you run a 10-person business or a 10,000-person conglomerate. Adhering to best practices creates the infrastructure and environment necessary to grow capacity and be successful. Building Small Business Capacity allows you to take advantage of strategies and tools you

can integrate into your business today to run more efficiently and effectively starting tomorrow *Congressional Record*
