information you are giving away so others can find it Some say it s dangerous But where some see a problem others see an opportunity From a professional point of view social networks and global access to the internet bring us amazing opportunities Market yourself notice your work your skills and what you are able and willing to do Control the information about yourself and manage it so it boosts your image Make a name for yourself be respected Be the one who decides the answer to the question who are you That s what we call Personal Branding a way leading to a uniquely distinguishable impression That is what we are going to do in this book to explore how to build our Personal Brand in an honest and simple way without lying *Social Media Marketing and Instagram Marketing* Michael Branding,2021-01-19 Turn your Instagram profile into a money making machine with this amazing book Get it today and turn attention into sales **Instagram Secrets** Alexander Vinci,2021-09-04 Do you want to know how Instagram really works and what mindset you must have to succeed in this platform If you just starting reading through this guide and are thinking that your business isn t an eCommerce business and so Instagram isn t the place for you think again Remember the key proposition that Instagram brings is visualization Consider these examples 1 You re a real estate agent and want to highlight the newest mountain home that you have on the market 2 You are a world class hospital that just released a new mother s ward with beautiful birthing and stay suites with a spa like feel 3 You re a restaurant owner and want to highlight your savory and mouthwatering specials each week The above examples are all situations where nothing is actually being transacted online but the business is building brand awareness and drumming up interest so that the consumer will visit their website or pick up the phone to learn more The mysterious Instagram algorithm While we ll never know exactly how Instagram has weighted the various data points that they put into their algorithm we do know that Instagram s back end technology now focuses on relevancy serving up the posts that are most likely to relate to certain users based on their activity on the site So every time a user clicks through a post or spends a certain amount of time looking at a certain influencer Instagram is capturing that data in some way and building it into their engine to ensure that posts that users won t care about are less likely to show up in their feed We do know however that Instagram is looking at the following Timely content This is all about recency meaning if a user hasn t logged in for a while they won t have to scroll through outdated and no longer relevant posts They ll be shown timely content that matters to them Interest This is really the secret sauce as Instagram is paying attention and will serve content that it believes the user will be interested in Relationships Instagram knows what photos users tag and where they comment So if a user has interacted in some way with certain brands in the past they are far more likely to be served content from that brand or similar brands in the future For marketers this is a great thing It means that as Instagram learns more about your brand your posts and advertisements are more likely to get in front of your niche or target audience A few notes about Instagram Shopping With the release of Instagram Shopping in late 2016 Instagram literally turned their platform into an online marketplace While it is still a common practice to include website links to your business site and even to a product

page now it is possible to allow the customer to transact directly on the Instagram platform For businesses that want to enable the Shopping capability they need to meet the following requirements You must have an Instagram business profile That business profile needs to be connected to a Facebook catalog Your company s registered headquarters location must be located in one of the Instagram approved countries Items for sale must be physical goods that comply with the trading guideline and terms of use set forth by Instagram As this Instagram Marketing Guide is intended as a resource for those getting started with Instagram marketing we will not be providing a deep dive of the Instagram Shopping capability Here is a Preview of What You Will Get A Full Book Summary An Analysis Fun quizzes Quiz Answers Etc Get a copy of this summary and learn about the book     **Instagram For Business For Dummies** Jenn Herman, Eric Butow, Corey Walker, 2020-12-21 Put your best brand story in front of 1 billion users One of the most energetically social of the major social media platforms Instagram has the highest brand engagement rate of them all Throw in the app s more than 1 billion active monthly users and its powerful business tools including shoppable posts devoted business profiles and advanced analytics and you have an unmissable opportunity to tell a gripping story that bonds you with your customers and makes your business an integral part of their social media lives The latest edition of Instagram For Business For Dummies puts you in the picture on how to showcase your product craft your narrative and gather insight into how your customers experience and react to your business Presented in straightforward practical language by three Instagram and marketing gurus you ll swiftly go from setting up your account and profile to applying strategies for writing winning captions and creating content that deliver super engaged customers Set up your account profile and analytics Upload content and get smart with IG Stories and live video Build and target paid advertising Master the art of the hashtag Whatever your current Instagram skill level there s always somewhere new to take you re the story of your business and there s no better way to begin a gripping new chapter in that story than with this book     **Personal Branding Secrets** Arnold J Springfield, 2019-12-30 DO YOU WANT TO BECOME AN INFLUENCER DO YOU WANT TO PROMOTE YOUR BUSINESS OR PRODUCT ON INSTAGRAM If you are looking for a strategy that allows you to grow your business here is the guide for you PERSONAL BRANDING SECRETS BUILD YOUR BRAND ON INSTAGRAM allows you to work whenever you want and earn wherever you are Are you looking for a guide HERE SHE IS YOU WILL LEARN Open the first pages of the book and read You will learn HOW to create your brand ADVANCE THE COMPETITION We offer you the most successful strategies of 2020 and the advice of those who already have experience in this business You will learn what to do to have an effective profile how to grow and increase your followers AUDIO BOOK VERSION This guide has been designed to be listened to WHERE YOU WANT and WHEN YOU WANT You can listen to it whenever you need it WHAT S INSIDE THE BOOK WHY A SOCIAL MEDIA STRATEGY The methodology for successful Instagram promoting INTERESTING POINTS IN YOUR SOCIAL MEDIA STRATEGY INDIVIDUAL BRANDING THE POWER OF YOU Why Instagram is so amazing for your business and individual brand INSTAGRAM THE IMPORTANCE OF
