Human-Centered Marketing Ashley Faus, 2025-05-03 With the rise of AI excess of distribution channels and focus on tracking every touchpoint in order to drive revenue consumer trust is at an all time low To restore trust brands need to create delightful seamless and impactful journeys to connect with the humans behind the screen Human Centered Marketing introduces three frameworks to help mid senior level marketers find connect with and convert audiences The book helps you map an audience journey that behaves like a playground instead of a linear funnel evolve the approach to social media to go beyond conversations and instead facilitate and engage with the community and build thought leaders to build trust and move your audience into the future Each chapter includes practical advice to help seasoned

marketers shift their strategy and offers tactical implementation recommendations All chapters include real world examples from companies like Adobe Hubspot and Edelman to demonstrate that this shift from the standard playbook actually works

Brand Management Michael Beverland,2021-02-03 Presenting the basics of brand management the book provides both a theoretical and practical guide to brands placing emphasis on the theory that the consumer is a co creator in a brand s identity In a world in which social media and inclusive digital platforms have increased customer engagement the role of brands and branding has changed The line between the producer and the consumer has become blurred consumers are no longer the recipients of brand identity but the co creators playing a significant role in shaping new products and systems Case studies include the Canterbury Crusaders KVD Beauty Kodak Yamaha Ottobock and Holland s rebrand as The Netherlands

Hyper-Digital Marketing Vanitha Swaminathan,2025-10-18 The rapid changes in technology and the rise of AI have heralded the introduction of a new era which we refer to as the era of hyper digitalization This shift has significant impacts on how organizations and enterprises carry out critical functions across various areas including marketing information technology human resources and others We are witnessing the transformation of the marketing function with many traditional roles of marketers being replaced by new roles that depend heavily on cross functional coordination with multiple areas These changes could be far reaching and have already dramatically impacted how to organize many tasks within organizations Against this backdrop this book offers modern marketers and technologists a guide on navigating the many changes occurring in organizations Any senior executive can leverage many of the concepts presented in this book and be able to handle the sweeping changes taking place in the age of AI This book introduces a new framework with six pillars of modern marketing strategy in the age of hyper digitalization purpose phygital experiences platform participation personalization and partnerships Each pillar has its own chapter which provides specific guidance for managers on how to implement it The chapters also demonstrate how each pillar can influence key outcomes like attention and engagement In the context of hyper digitalization and AI the six pillar framework will help managers navigate current developments and implement changes that any enterprise is faced with It will offer senior marketing strategists and students a framework for strategic thinking that prepares them for the workplace of tomorrow The framework is supported by numerous case studies and examples from both the United States and other parts of the world that demonstrate how these concepts are applied in real world situations The book incorporates insights from scholarly research on these topics to provide evidence based guidance for managers and executives

Mean Christianity Billy T. Ogletree,2018-03-14 Mean Christianity Finding Our Way Back to Christ s Likeness explores the Christian faith as an intentional daily commitment to others a cathartic and uncomfortable journey that leads travelers to Christ s likeness The book considers how and why individual Christians and the corporate body of Christ have come to be perceived negatively by so many It describes the primacy of Christ as the central tenet of Christianity and offers seven Jesus life themes for every Christian These themes based on a qualitative study of the

canonical gospels assist readers with the development of a framework for a Christlike life The book defines Mean Christianity and considers its causes and costs Readers are confronted with both the possibility of meanness in the faith and in their actions and encouraged to consider a Christlike life as an alternative to meanness Finally readers are introduced to the concepts of forgiveness grace and mercy as a part of God s broader plan for reconciliation and fullness in life **Instagram**
