Flexible Lives Stefanie Reissner, Michal Izak, 2025-08-07 This geographically and methodologically diverse volume shines the spotlight on a variety of flexible working practices beyond the predominantly Western perspective and zooms in on the gendered aspects of flexible working The increasing use of flexible work arrangements has decoupled work from time and space making the world of work and home increasingly fluid and challenging to manage The Covid 19 pandemic in particular has been a catalyst for questioning accepted norms of where when and how work takes place This book seeks to explore the impact which this reshaping of traditional modes of working has had on workplace interactions and relationships as well as on managing the boundaries between familial and working lives In this way this collection contributes to a wider dialogue concerning the flexibility challenges encountered by white collar workers which is needed now more than ever This book will be relevant to scholars practitioners and policymakers in the fields of gender studies organizational behavior human resources and labor economics It will be particularly useful for those examining the impact of remote work the future of work organizational culture and the social and economic implications of shifting work practices The chapters in this book were originally published in *Culture and Organization* and are accompanied by an updated Introduction and a new Epilogue

Work from Home David D Taylor, 2018-07-13 What if you could find a job you could do from the comfort of your own home from a coffee shop or from anywhere We have all thought about this at some point but we have never really had the opportunity to take the leap But what if you could find that job today Sounds impossible This book will quickly prove you wrong If you are serious about working remotely whether part time or full time this book will help you find these job opportunities In fact countless companies hire remote employees or contractors for short or long term assignments You just need to know where to look In this book you will find literally hundreds of links that will help you land a decent paying job with an earning potential of around 20 per hour to up to 50 per hour or more For this no need to be a highly qualified IT professional The vast majority of these jobs are accessible to most readers In this book I will introduce you to a few methods to earn extra money from home I will also help you avoid scams and give you an insight of what it is like to work remotely This book is definitely for you if you are Tired of organizing your life around your job Looking for an alternative to your 9 to 5 job Looking to make some extra money to supplement your income Staying home to raise your kids or take care of a family member Disabled or cannot commute temporarily to an on site job Recently done with school and looking for a job Looking for flexibility For all of you there is something in this book
