## **Honest Home Office Setup Tips For Dads:**

**Ladies' Home Journal** Edward William Bok, 1913      *Monthly Journal of Insurance Economics* , 1927      **There When He Needs You** Neil I. Bernstein, 2008-05-13 Men want to be better fathers and today they're trying harder than ever. They jog behind strollers, leave work early for parent teacher conferences and roughhouse with their kids before they've had a chance to change out of their suits. But many men aren't building the relationships with their sons that they'd hoped for. And sons are finding it hard to confide in fathers who must devote so much of their time to building careers that both keep them from their families and keep their families comfortable. Many fathers admit that they don't have a clue what's going on in their sons' lives from ball game schedules to online communities to fears and anxieties about school friends and relationships. Fathers often walk around burdened with guilt, worried they're just not able to do the right thing even though they're trying to be equal partners in parenting with their wives. *There When He Needs You* is the first book to tell the truth about the challenges that fathers of sons face today, including the intergenerational legacies of self-doubt that they anxiously carry from themselves having had distant unavailable fathers. A self-treatment program as well as a psychological X-ray of today's father, *There When He Needs You* shows you how to create and strengthen a real meaningful bond with your son. Through real life stories of real life dads who have lost and found their way, you as a father will learn to reorder your priorities, express yourself more openly, connect with your loved ones and become the role model that your son needs. Wives will learn how to gently help their husbands do this, no nagging, threatening or criticizing, while becoming their husband's best friend, cheerleader and coach. Turning the father-son dynamic inside out, *There When He Needs You* helps fathers, sons and mothers to understand their roles in the family and create relationships that fuel closeness and trust. *There When He Needs You* will open your eyes, tickle your funny bone and touch your heart. Ultimately, you'll understand what it really means to be a father to your son and discover new ways to be there for him.
