## **Honest Hybrid Work Schedule For Dads:**

Dad Up! Steve Patterson, 2021-06-01 From one of the country's most beloved comedians and host of CBC Radio's incredibly popular program *The Debaters* comes a funny poignant and at times unexpectedly wise look at what it means to be a dad in this day and age Steve Patterson has been thinking about dad-dom for quite a while In *Dad Up* he gives his all to be the best father possible to two young girls while imparting his hard won wisdom and insights to readers everywhere The youngest of five boys growing up in an Irish Catholic household Patterson mines his childhood for any sage advice he might have picked up from his own dad He talks with candour about the difficulty he and his wife Nancy had conceiving finding humour in their experiences with the fertility clinic's automated phone calls which Patterson calls RoboPimp informing them when Nancy was ovulating He chronicles the disappointment of failing to get pregnant only to have the miracle conception take place in Regina during Grey Cup Week under the guiding spirit of the Saskatchewan Roughriders and comedian Brent Butt don't ask From that point on Steve Patterson assumes full dad mode riffing on the biohazard that is changing a diaper the absolute futility of stuffed animals becoming a public breastfeeding warrior in the most unexpected of places and how growing up a little boy in no way prepares you to being a father to little girls Most importantly *Dad Up* charts the awesome experience of watching tiny infants that you somehow had a hand in creating evolve into confident and crafty little people and the lessons that they teach along the way

Eliza Berry A Second Chance Daniella Colombo, 2022-02-09 Should a young girl save her father at the cost of trillions of fathers Eliza a tormented thirteen year old lives in the near future in a city called Cresco After her dad disappears down a wormhole she's catapulted into the intrigues of an incredible unfamiliar alien world on Earth Realising that everything she once knew was a lie and with her emerging but unreliable special powers Eliza teams up with her new friends TrueBias Yardley and Zeno and sets out on a quest to save her father She soon discovers that it's not only her dad who is in mortal danger but so is the survival of the whole galaxy She has to protect the precious Luxlumen stone from the Viscorpus race But even if she secures the stone as the only bargaining tool does she use it to save her father or the galaxy How can she save them both A note from Daniella Choosing an appropriate book for your child or even for yourself can be a challenge and with so many on offer sometimes making the right choice is a lucky dip The *Look Inside* feature is excellent as it gives you the opportunity to see the style of writing and the initial direction of the story It is important to highlight that this book is written in British English and has not been translated into American English therefore for younger readers there may be some confusion with language such as Lift Elevator Flat Apartment Pavement Sidewalk I thought I would also add some further information to help you with your choice *Eliza Berry A Second Chance* does not contain any foul language drug use misuse and there is no reference to sex or any sexual scenes or associated language The story does however contain fight scenes which although are not heavily graphic and some are quite comical sometimes Eliza and her pals are in real danger and there are descriptions of being strangled and held by the throat or hair and other characters

being hurt We assume one character is dragged into outer space but this is not confirmed This is a light science fiction novel for children from the age of 10 upwards Eliza Berry the main character is a girl of little confidence and as much as this is a story is about adventure and discovery it is also a story of how Eliza transforms from an individual with low self esteem and poor self worth As many 13 year olds she is struggling to find her place in the world and this story I d like to think takes us on a journey where Eliza learns to love and accept herself for her uniqueness Accepting who we are is an important part of growing up and I touch on the themes of domestic violence low self esteem love family feelings of abandonment isolation fear friendship trust acceptance and honesty All of us are special and unique and we all have a superpower It s just hard sometimes to find it

New Beginnings at the Little Highland Horse-Yard Rebecca Loebbert,2025-01-15 A year ago Holly s whole world was shattered when the police informed her of her father and boyfriend s motorway accident that took their lives Now she is ready to start again Holly turns her back on London and moves to the Scottish Highlands with her Friesian mare Rosie to start a new chapter in her life While Rosie immediately settles in at her new home a Little Horse Yard in Cawdor Holly often finds her thoughts wander back to her old life and lost love But her new friends her slightly crazy flatmates and the other horse owners at the yard slowly help her settle and start to see the good things in life again Particularly Aiden the incredibly handsome and rich best friend of the yard owner who makes Holly feel like she has known him forever When he invites her to join him on a Stunt Riding weekend in the Scottish Borders she gets a feeling deep inside her she d thought lost forever Could it be that we can actually fall in love again That a broken heart can beat again Can fate really offer us a second chance for happiness With volume 4 the young author has once again created a brilliant entertaining novel that you won t want to put down A new romance novel about heartbreak and horses set against the rugged landscape and romantic backdrop of the Scottish Highlands A must read for anyone who loves such novels

*Sesame Street Dad* Roscoe Orman,2006 This book which I hope conveys the spiritual tenor of my times as well as the philosophical and educational enrichment I have received within them is a distinctly personal account and interpretation of my life experiences that may also serve as a lasting record of the events described many of which have historical significance beyond my own personal

story The four decades that my career has thus far spanned encompass a period of change that is unprecedented in the history of American society Certainly my three decades as Gordon on Sesame Street have provided one of the most enriching and edifying stories of my life If I could boast of no other major career accomplishment having played a central role as I have in the development and continuation of this landmark series would alone have made my life sufficiently meaningful The historical significance of Sesame Street and its surprising longevity have made my association with the show in many regards my life s crowning achievement Reviewing the entirety of my career however has given me an opportunity to examine the political moral social cultural and artistic connections and influences that have defined all its aspects Within the realm of theater for instance it is clear that my early affiliations with The Free Southern Theater of New Orleans and The New Lafayette Theatre of Harlem between the mid 1960s and the early 1970s have been arguably even more influential in defining the content of my personal character and my life s work than have my many years as Gordon Given that each new age must follow a course suited to its own current demands I offer my story in a spirit of generosity joy hope and compassion as a voice from the recent past and present to the open ears of the future

**Father and Son** Gavin Keulks,2003 An innovative study of two of England s most popular controversial and influential writers Father and Son breaks new ground in examining the relationship between Kingsley Amis and his son Martin Amis Through intertextual readings of their essays and novels Gavin Keulks examines how the Amises work negotiated the boundaries of their personal relationship while claiming territory in the literary debate between mimesis and modernist aesthetics Theirs was a battle over the nature of reality itself a twentieth century realism war conducted by loving family members and rival antithetical writers Keulks argues that the Amises relationship functioned as a source of literary inspiration and that their work illuminates many of the structural and stylistic shifts that have characterized the British novel since 1950
