Father Involvement and Gender Equality in the United States Richard Petts, 2022-08-31 This book focuses on issues of family work and gender with a focus on gender inequality Women are disadvantaged in both paid and domestic work due in large part to being primarily responsible for duties within the domestic sphere The COVID 19 pandemic has exacerbated these inequalities making the issue of reducing gender inequality even more pressing Fathers play an important role in contributing to and perhaps reducing gender inequality but barriers to their involvement in family life have received less attention than detailing challenges that mothers face If men were equally involved in all aspects of domestic life i e were fully engaged dads women s burdens would be reduced and perceptions of who is responsible for parenting may change resulting in greater gender equality Father Involvement and Gender Equality in the United States focuses on the key issue of father involvement seeking to understand why fathers are less involved at home than mothers despite an increased desire for fathers to be more engaged parents This book utilizes recent national survey data interviews with fathers and insights from the author s personal experience as a father to identify current norms of fatherhood within the United States barriers to father involvement and strategies to overcome these barriers Overall this book argues that by establishing the expectation that fathers will be fully engaged dads as a cultural norm and by providing

structural opportunities for fathers to meet this cultural standard greater gender equality can be achieved within the United States The arguments presented in this book are valuable for scholars in the areas of family work and gender policymakers and business leaders who seek to promote gender equality and work family balance and parents who are interested in achieving a more egalitarian division of labor within their own families The Inland Printer ,1903 Cassier's Magazine Henry Harrison Suplee,1892 *Daddy's Home at Last* Mike Singletary,Russ Pate,1998 If you want to give your children the best dad possible but you wonder what to do where to start and what it will cost then Daddy s Home at Last is for you Former All Pro footballer Mike Singletary is your guide to giving children a legacy of love American Illustrated Magazine ,1917 *American Magazine* ,1926 *Comprehensive Curriculum of Basic Skills, Grade 3* ,2016-03-07 THIRD GRADE Covers basic concepts such as parts of speech punctuation rounding division and more and develops the skills your child needs for grade level success INCLUDES Fun educational activities in phonics reading language arts writing and math plus review lessons teaching suggestions to extend learning and answer keys ALL INCLUSIVE This all in one comprehensive resource provides an entire curriculum of instruction that improves academic performance updated with relevant high interest reading passages and artwork HOMESCHOOL FRIENDLY This elementary workbook for kids is a great learning resource for at home or in the classroom and allows parents to supplement their children s learning in the areas they need it most WHY CARSON DELLOSA Founded by two teachers more than 45 years ago Carson Delloso believes that education is everywhere and is passionate about making products that inspire life s learning moments Anthro-tech ,1976 *Rebuilding Community in America* Ken E.
