Ellsworth Britton, 101-01-01 This book is for anyone who's ever daydreamed about strolling through a hidden cove in Croatia wearing nothing but a grin or knocking out a client proposal while catching rays in a nudist friendly resort in Thailand. It's for the adventurous souls who realize life's too short to dread Monday mornings and for the newly curious who just want a glimpse into what happens when you merge global travel with the simplest dress code imaginable. Along the way, I'll share stories, hilarious mishaps included, and practical advice on everything from setting up a viable remote income to navigating cultural norms without offending the locals or getting arrested. Inside, you'll discover how to create sustainable remote income sources that fund your adventures. Build passive income streams that earn money while you sleep. Invest wisely across global markets, real estate, stocks, and more. Navigate taxes, banking, and currency challenges as a remote worker.
