## **New Tiktok Marketing Strategy Ideas Near Me:**

*Sustainability in Business Education, Research and Practices* Tony Wall, Laís Viera Trevisan, Walter Leal Filho, Adam Shore, 2024-04-06 The connections between sustainability and business education are becoming increasingly important due to the growing recognition of environmental and social challenges as well as the role that businesses play in addressing these challenges. Businesses have a significant impact on the environment, society, and the economy. Issues such as climate change, resource depletion, social inequality, and ethical concerns directly affect business operations and performance. Business education needs to equip future leaders with the knowledge and skills to navigate these challenges responsibly. This book provides a platform for the dissemination of information on the latest initiatives and practices in these areas and promotes future cooperation between universities and business schools across the globe.

**TikTok for Sales** Josué Matos, In the ever-evolving digital landscape where trends shift at the speed of a click, few platforms have reshaped the sales and marketing game quite like TikTok. What initially seemed like a space for fun and creative videos has become a powerful tool for brands seeking authentic connections with their consumers. Far from being a passing trend, TikTok represents a revolution in how products and services are promoted and sold online. This is the second book in a series designed to explore the potential of social media platforms for sales. While the first volume, *Instagram for Sales: Strategies to Convert Followers into Customers*, focused on a well-established platform known for its visual and interactive appeal, this book dives into a dynamic and opportunity-rich terrain. *TikTok for Sales: Viral Strategies for Growth and Conversion* is an essential guide for anyone looking to harness the viral power of TikTok, transforming creativity into real conversions. With over 150 million active users in the United States alone and a global user base exceeding 1 billion, TikTok is not just a social network but a global stage where brands can shine by telling their stories in engaging and innovative ways. Through trends, challenges, short videos, or live streams, TikTok offers endless possibilities for entrepreneurs of all sizes to stand out in today's competitive market. In this book, I've explored every aspect of the platform, from setting up an attractive business profile to advanced sales strategies and performance analysis. Organized into 30 chapters, the content is tailored for both beginners and seasoned professionals, providing valuable and practical insights. You'll learn how to navigate TikTok's algorithm, create engaging content, leverage features like TikTok Shopping and hashtags, and build partnerships with creators to maximize your sales. As a digital marketing professional inspired by my international journey, I bring a global perspective to this work. My name is Josu Matos, author of over 50 books including *Rich Uncle Poor Nephews* and *The Art of Reinvention*. With a decade of experience in digital platforms and a Bachelor's degree in Advertising, Marketing, and Communications underway, I have dedicated my career to helping entrepreneurs succeed in the digital world. My travels across Northern Ireland, Canada, and the United States have broadened my outlook and enabled me to develop innovative strategies which I share with you in this book. Get ready to discover how to turn creativity into conversions, trends into sales, and followers into loyal customers. Welcome to a

new era of sales on TikTok Together let s explore this dynamic platform and take your business to the next level INDEX
