DADLY Dollar\$: How Marketing to Dads Will Increase Revenue and Strengthen Families Hogan Hilling, Tom Konecny, Don Hudson, 2017-06-18 The idea of marketing to dads is as unconventional as a dad who chooses to relinquish his role as the primary breadwinner to become the primary caregiver for his family But as the at home dad movement has demonstrated since the birth of the National At Home Dad Network in 1996 it has had a profound impact in the changing role of today s modern dads who now view parenting as a shared responsibility One of which is as the primary or part time shopper for their families Since dads represent half the parenting population this book raises the following questions Why don t companies view marketing to dads as an opportunity to increase revenue and potential profits Why do companies and advertisers continue to ignore the purchasing power of dads Why haven t companies conducted extensive studies on how dads buy products and services and also how to reach and connect with dads Research clearly shows that the dynamics of today s families and role of parents continue to evolve Yet companies and advertisers continue to use old school marketing strategies with mom as its primary target audience Yes the thought of dads as a potential primary or even part time shopper is hard to embrace as it was decades ago when companies shied away from the thought of a woman becoming the primary breadwinner The success of women in corporate America alone should indicate the reason for a change in a company or advertiser s marketing strategy DADLY Dollars will introduce companies and advertisers to a new untapped consumer dads It will also teach them how to reach and connect with dads market to dads capitalize on their purchasing power and how marketing to dads will increase their revenue profit and brand loyalty In addition it will also show a company the overall benefits to the economy families and communities

The Beginner's Guide for Selling on TikTok

K Stello, 2023-08-26. TikTok is not the same as your normal social networking site, while having many similarities to popular social media sites like Twitter and Instagram. The algorithm is very unique to other platforms. TikTok uses a unique algorithm to guarantee that every video has an equal chance of becoming popular, regardless of how well known the content creator is. This opens up space for quick expansion and growth of social media presences, rapid growth, and practically endless marketing experimentation. What shows up in a user's feed is determined by an algorithm used by TikTok. Every video has a chance of going viral thanks to the intriguing manner that its discovery algorithm works. To attract interested audiences who are ready to buy your products, you can quickly and easily create a TikTok video promoting a product. The main distinction between TikTok and other social media platforms, particularly Facebook and Instagram, is that the homepages of the latter two are primarily made up of users and channels you already follow. You might be wondering why TikTok has been used to market things. TikTok operates in the opposite manner, giving new creator videos priority. This book would be teaching you tips and tricks to run a profitable TikTok business. What you will learn in this book: Introduction to using TikTok for business, steps to follow to help focus on setting up your strategy before using TikTok for business, suggestions for creating content for TikTok, and success examples. TikTok Analytics: How to gauge your brand effectiveness. Successful techniques for
