Love Me Stalk Me Laura Bishop, 2025-12-02 For fans of Lights Out and You comes a dark rom com debut about a woman who confides her fantasies to an AI boyfriend app unaware she s really talking to her hot tattooed coworker who hacked her phone When overworked department store manager Izzy Russo downloads an AI boyfriend app to fill the emotional void left by her inattentive real one she thinks she s just venting to a harmless chatbot named Caleb In reality she s been pouring her deepest dirtiest fantasies

into the ears of Callahan Knight her store s brooding new head of security Because Cal He s been listening The moment he saw Izzy he knew she was his Did he hack her phone Absolutely But who could blame him A woman like Izzy deserves to be cherished by someone who truly knows her worth and he ll do anything to be that man So when Izzy finally sees her boyfriend for who he really is and the danger she s unknowingly been caught up in Cal is ready to protect her no matter the cost Even if it means revealing the truth She might not have meant to build the perfect man But he s here now And he s never letting her go *PC/Computing* ,1994-04

Constructionism Idit Harel,Seymour Papert,1991 In 1985 the Media Lab was created at MIT to advance the idea that computation would give rise to a new science of expressive media Within the media lab the Epistemology and Learning group extends the traditional definition of media by treating as expressive media materials with which children play and learn The Group s work follows a paradigm for learning research called Constructionism Several of the chapters directly address the theoretical formulation of Constructionism and others describe experimental studies which enrich and confirm different aspects of the idea Thus this volume can be taken as the most extensive and definitive statement to date of this approach to media and education research and practice This book is structured around four major themes learning through designing and programming epistemological styles in constructionist learning children and cybernetics and video as a research tool for exploring and documenting constructionist environments
