The Elements of Logo Design Alex W. White, 2018-09-04 A Visually Stunning Guide to Learning the Art of Logo Design. Designers looking to learn the art of designing logos need look no further than **The Elements of Logo Design** by world renowned designer Alex W. White. Unique in its approach to explaining how to design marks, **The Elements of Logo Design** explores design, unity, typography, and its expression as frozen sound, how a logo fits into a greater branding strategy, and how to build a logo. With more than four hundred examples culled from advertising, editorial, and web use, readers will gain a comprehensive understanding of universally shared graphic design principles. These principles are then applied to logo design, specifically relating the discipline to all other graphic design. Chapters include such topics as Logic in design, Relationships, hierarchy, and structure. Differences and similarities in design, Research and planning an identity, How to build a logo using type, image, and space, Letterforms, type and fonts, Type alteration, Semiotics, icons, and symbols, Image to image relationships. With a foreword by Jerry Kuyper, who is widely recognized as one of the top twenty-five logo designers of all time, **The Elements of Logo Design** is a formidable resource for learning the art of branding and making marks.

Logo Design Josh Cooper, 2017-06-05 We must understand is the primary purpose of logos: firstly, to understand what a logo is. The aim of the design process is to make the logo immediately recognizable. The logo is one aspect of the commercial brand of any company or even economic entity. From the font to the color, the aesthetic components of a logo hugely impact how customers perceive your company. Is it attractive enough, or does it repel them? Is it standing out, or simply fading into the background? Does it successfully identify your brand, or confusing enough to mix up with your competitors? During the research and design phase, these are all quality critical questions to ask. Only a smattering of the main ingredients far from the only ones is needed to create a successful logo. Too many websites today are still inaccessible. In our new book, we have explored crafting the process for flexible design patterns and how to make accessible interfaces without extra effort. Check out this book for a complete list of specific and prosecutable tips and ideas to help you design the best possible logo for your brand. In this book, we have covered step by step process that will guide you in making of a successful logo for your work purpose. Getting an exclusive logo design will ensure the visual identity of your company. Your logo design must be such that your brand stands out.
