Remote Work Technology Henry Kurkowski, 2021-09-08

Your small business survival guide for the remote work environment. In *Remote Work Technology: Keeping Your Small Business Thriving From Anywhere*, experienced SaaS and telecommunications entrepreneur Henry Kurkowski delivers a step-by-step walkthrough for using SaaS technology and communication apps to power your small business from anywhere on the planet. You'll learn how to capitalize on the ability to hire a geographically distributed workforce and excel at serving clients at a distance. You'll also discover why and how you need to alter your approach to management and spot the common pitfalls that litter the way to a truly distributed business. This important book includes valuable case studies of businesses that embraced the reality of remote working during and after the COVID-19 pandemic and cautionary tales of unexpected challenges that arose during the transition. Discussions of how to incorporate remote workers into efficient workflows to increase your business productivity. Explorations of how to support your employees when you can't just pop into their office. Perfect for small business founders, owners, and managers, *Remote Work Technology* is also a must-read guide for independent contractors who work directly with small businesses and entrepreneurs.
