The Advertising and Consumer Culture Reader Joseph Turow,Matthew P. McAllister,2009 Commercial breaks radio spots product placements billboards pop up ads we sometimes take for granted how much advertising surrounds us in our daily lives We may find ads funny odd or even disturbing but we rarely stop to consider their deeper meaning or function within society What exactly does advertising do How and why do ads influence us How does the advertising industry influence our media These are just a few of the many important questions addressed in The Advertising and Consumer Culture Reader an incisive provocative collection that assembles twenty seven of the most important scholarly writings on advertising and consumer culture to date The classic and contemporary essays gathered here explore the past present and future of advertising from the early days of print to the World Wide Web and beyond These selections offer historical sociological critical cultural and political economic lenses to explore a wide range of topics from consumer activism to globalization to the role of ads in the political process Together these key readings chart the past present and future of advertising while also examining the effects of advertising and consumer culture upon individuals society cultures and the world at large Designed for use in courses the collection begins with a general introduction that orients students to thinking critically about advertising and consumer culture Section and chapter introductions offer valuable historical and critical context while review questions after each reading will spark classroom debates and challenge students understanding of key concepts

Originalism in Theology and Law Mark J. Boone,Mark D. Eckel,2024-01-26 In the study of American law originalism is primarily a theory about the meaning of the Constitution that its meaning can only change when its words change Originalism also appears in biblical theology as a theory on the meaning of the Bible that its meaning is that intended by the original authors Originalism in Theology and Law Comparing Perspectives on the Bible and the Constitution offers a study of originalism in both the Bible and the Constitution While there are significant connections between originalism as a theory of biblical interpretation and as Constitutional interpretation there are also differences in the type of text as well as its purpose function origins or authority which may affect which nuanced version of originalism best fits a particular text or the best method of interpreting it
