Organizational Behaviour David A. Buchanan, Andrzej Huczynski, 2019-07-29 Our target readers are students who are new to the social sciences and to the study of organizational behaviour This is a core subject on most business and management degree diploma and masters programmes Accountants architects bankers computer scientists doctors engineers hoteliers nurses surveyors teachers and other specialists who have no background in social science may find themselves studying organizational behaviour as part of their professional examination schemes

Managing at a Distance Tom Coughlan, David J. Fogarty, Gary Bernstein, Lynda Wilson, 2024-02-26 The world of hybrid and remote management is a territory that has yet to be completely explored this book provides some simple navigational aids to help managers and leaders find their way Research indicates that over 56% of college graduates currently work either remotely or in a hybrid arrangement while prior to the pandemic less than 5% of working hours were remote How to manage remote and hybrid workers has rapidly become a significant challenge and one that often requires new policies and organizational restructuring The remote work handbooks available are tactical which can be helpful for day to day decisions but not to tackle larger issues

and initiatives This book presents a fully formed research backed strategic framework more than a vehicle to the future it will help leaders to understand where they are now and what is happening around them to change the landscape and to decide where they want to be Speaking to senior executives and team leaders as well as business students this book will become the preferred tool for the development and evaluation of remote and hybrid management policy and strategy across industries
