messages that reach intended audiences and ignite dialogue and behavior change Offering comprehensive coverage of both the theory and practice of facilitating behavior change in social media audiences Strategic Social Media From Marketing to Social Change Second Edition is essential reading for undergraduate and graduate students in digital and social media marketing courses social media practitioners entrepreneurs digital content creators journalists activists and marketing and public relations professionals Smart Business and Technologies Souad Najoua Lagmiri, Mohamed Lazaar, Fouad Mohammed Amine, 2025-03-31 This book covers the theory applications and viewpoints on the most recent and upcoming advancements in the fields of complex processes decision making control and systems and networks In the well known lecture notes in networks and systems series Smart Business and Technologies is the most recent entry The cutting edge research presented at the International Conference on Smart Business and technology ICSBT 24 is compiled in this volume which highlights creative solutions new developments and useful applications in the domains of advanced technology and smart business practices For scholars professionals and students hoping to remain on the cutting edge of business innovation and technology breakthroughs it is a vital resource Numerous topics including cyber physical systems artificial intelligence data analytics IoT enabled solutions autonomous systems control systems sustainable business models digital transformation strategies blockchain applications smart supply chain management customer experience optimization predictive analytics energy systems robotics smart cities manufacturing and more are covered in the series proceedings and edited volumes on systems and networks These subjects provide insights into the methods and paradigms that propel advancement in smart business and technology sectors They are enmeshed in interdisciplinary fields such as applied sciences engineering computer science business economics and social sciences Seen Yet Unseen Bärí A. Williams, 2024-05-14 Part memoir part searing revelation Seen Yet Unseen takes readers behind the scenes of some of the world's biggest tech companies and exposes the way their exclusion of and at times hostility toward Black women have lasting impacts on the technology we use every day Over the years the products of big tech companies and Silicon Valley have become indispensable to our lives They impact the way we socialize make purchases and even our medical decisions But what happens when a major segment of the population in this case Black women isn't included in these companies For over a decade Bärí A Williams has worked to carve a space for herself as a Black woman in the incredibly white male sphere of major tech companies eventually becoming a lead counsel at Facebook and architect of their supplier diversity program However she also experienced the peculiar feeling familiar to Black women in the workforce being both unseen and too seen In raw and personal stories Williams recounts balancing on glass cliffs while battling the burnout that so often forces Black women out of these companies and how the industry's lack and loss of Black women not only harms the businesses themselves but has troubling ramifications for their products particularly as the promises of AI and the Metaverse loom large In a tone both forthright and revealing Williams dissects how a culture that has largely excluded Black women and people of color more generally is at a tipping point and that only

through embracing and listening to Black women can we prevent the further weaponization of these technologies against marginalized communities From fledgling in house diversity initiatives to gentrification and the rise of AI Seen Yet Unseen takes the reader inside the obscured machinations of big tech companies and makes a case for why diversity is essential to the future of technology Understanding Business William G. Nickels, James M. McHugh, Susan M. McHugh, 2021 Our experienced and diverse authors and long tenured editorial team have created a product that meets the needs of nearly all classrooms no matter the size teaching modality or learning objectives The content is unmatched in depth breadth currency and relevancy and is presented in an extremely readable format for students with all learning styles A wealth of technology solutions engages students enriches learning furthers understanding and simplifies instructors assessment processes Course supplements tightly align with chapter concepts and enhance retention making instructors of all experience levels Grade A rock stars And unparalleled support from our digital faculty consultants helps ensure you and your students benefit from the full experience of what is now the gold standard in Introduction to Business classes Nickels McHugh McHugh Understanding Business 13th Edition does more than teach it prepares students to create real impact on the world **TikTok Marketing School** Hillary Scholl, 2022-06-01 Do you want to be financially independent and successful Learning How To Use TikTok s Power Could Be The Answer One of the BEST skills you can learn today is how to use the power of TikTok When you understand TikTok marketing the proper way you can essentially write your own income Knowing how to use social media platforms to sell your items can help you take your company to the next level Imagine finally being able to manage a profitable online business from the comfort of your own home Imagine quitting your day job and earning enough money to support yourself and your family in a comfortable and affluent lifestyle It costs money to market your company a lot of money Paying a third party organization to sell your brand might be very expensive When faced with budget constraints resource constraints and ever moving timeframes many people discover that it is a cost that may quickly blow budgets and eat into earnings THIS IS ONLY ONE OF THE REASONS WHY SOCIAL MEDIA IS IMPORTANT The world is changing and social media is catching up In today s corporate world social marketing has a huge impact on internet marketing and TikTok is quickly becoming a behemoth in this field Their user base is expanding at a quicker rate than any other social site You are missing out BIG TIME if you are not using TikTok for promotion And if you think it is just for youngsters you are completely wrong So how does this affect you Imagine this you could generate content this week and reach tens of thousands if not hundreds of thousands of people who are interested in you your brand and your business You can get viral or semi viral overnight if you start with no followers and no content Eyeballs people potential customers fans TikTok is currently one of the most popular social media sites and will soon become a marketing powerhouse Because it is fresh compared to Facebook for example there is less competition and the ease with which you may move from nothing to anything is something not to be overlooked It is the same as marketing on Facebook or YouTube in the early years when it was quite simple and yielded

incredible results This is a once in a lifetime opportunity You have greatly increased your chances of success by learning how to sell on TikTok the RIGHT WAY You will need TikTok Marketing School to learn how to use TikTok marketing to grow your business Everything you need to know about creating a successful TikTok marketing plan is covered in TikTok Marketing School You will learn What is TikTok and how does it all work How to utilize TikTok to promote your business How to make content that has the potential to go viral How to get started and create an account on the platform How to grow your audience and following How to use TikTok advertisements to boost your performance How to evaluate your outcomes and improve your strategy And a whole lot more
