## **Simple Virtual Team Building Ideas For Beginners For Freelancers:**

*ENTREPRENEURIAL IDEA* Sohail Farid, 2021-10-02 Whatever your reasons for pursuing entrepreneurial work it is essential to know a couple of basic guidelines before diving in. My observations based on the experiences I've gathered so far in my entrepreneurial journey are discussed in this book which may help new startups to learn as I've learnt in my early stage. The factor here is that you won't be successful if you let the naysayers hold you back. The only way to be successful is to believe in yourself. Remember more than 30 publishers rejected Carrie before acceptance. If he'd given up he wouldn't be one of the most well-known and profitable authors in the world. Getting inspiration from successful people leads us to the right and thoughtful way. My father Farid Ahammed inspired me a lot as he is a well-known entrepreneur himself; he is my mentor and idol. Much love, Sohail Farid.
