Desperate Mission:

Kasztner's Crime Paul Bogdanor, 2017-07-05 This book re-examines one of the most intense controversies of the Holocaust: the role of Rezső Kasztner in facilitating the murder of most of Nazi-occupied Hungary's Jews in 1944. Because he was acting head of the Jewish rescue operation in Hungary, some have hailed him as a saviour. Others have charged that he collaborated with the Nazis in the deportations to Auschwitz. What is indisputable is that Adolf Eichmann agreed to spare a special group of 1,684 Jews who included some of Kasztner's relatives and friends while nearly 500,000 Hungarian Jews were sent to their deaths. Why were so many lives lost? After World War II, many Holocaust survivors condemned Kasztner for complicity in the deportation of Hungarian Jews. It was alleged that as a condition of saving a small number of Jewish leaders and select others, he deceived ordinary Jews into boarding the trains to Auschwitz. The ultimate question is whether Kasztner was a Nazi collaborator as branded by Ben Hecht in his 1961 book *Perfidy* or a hero as Anna Porter argued in her 2009 book *Kasztner's Train*. Opinion remains divided. Paul Bogdanor makes an original compelling case that Kasztner helped the Nazis keep order in Hungary's ghettos before the Jews were sent to Auschwitz and sent Nazi disinformation to his Jewish contacts in the free world. Drawing on unpublished documents and making extensive use of the transcripts of the Kasztner and Eichmann trials in Israel, *Kasztner's Crime* is a chilling account of one man's descent into evil during the genocide of his own people.

The Holocaust David M. Crowe, 2018-05-04 This book details the history of the Jews' two millennia-old struggle with a larger Christian world and the historical anti-Semitism that created the environment that helped pave the way for the Holocaust. It helps students develop the interpretative skills in the fields of history and law.

A Violent Peace Carolyn N. Biltoft, 2021-05-03 The newly born League of Nations confronted the post-WWI world from growing stateless populations to the resurgence of right-wing movements by aiming to create a transnational cosmopolitan dialogue on justice. As part of these efforts, a veritable army of League personnel set out to shape global public opinion in favor of the postwar liberal international order. Combining the tools of global intellectual history and cultural history, *A Violent Peace* reopens the archives of the League to reveal surprising links between the political use of modern information systems and the rise of mass violence in the interwar world. Historian Carolyn N. Biltoft shows how conflicts over truth and power that played out at the League of Nations offer broad insights into the nature of totalitarian regimes and their use of media flows to demonize a whole range of others. An exploration of instability in information systems, the allure of fascism, and the contradictions at the heart of a global modernity, *A Violent Peace* paints a rich portrait of the emergence of the age of information and all its attendant problems.

Bargaining with the Devil Robert Mnookin, 2010-02-09 The art of negotiation from one of the country's most eminent practitioners and the Chair of the Harvard Law School's Program on Negotiation. One of the country's most eminent practitioners of the art and science of negotiation offers practical advice for the most challenging conflicts when you are facing an adversary you don't trust, who may harm you or who you may even feel is evil. This lively, informative

emotionally compelling book identifies the tools one needs to make wise decisions about life's most challenging conflicts

Encyclopedia of Television Film Directors Jerry Roberts, 2009-06-05 From live productions of the 1950s like *Requiem for a Heavyweight* to big budget mini series like *Band of Brothers* long form television programs have been helmed by some of the most creative and accomplished names in directing *Encyclopedia of Television Film Directors* brings attention to the directors of these productions citing every director of stand alone long form television programs made for TV movies movie length pilots mini series and feature length anthology programs as well as drama comedy and musical specials of more than 60 minutes Each of the nearly 2 000 entries provides a brief career sketch of the director his or her notable works awards and a filmography Many entries also provide brief discussions of key shows movies and other productions Appendixes include Emmy Awards DGA Awards and other accolades as well as a list of anthology programs A much needed reference that celebrates these often neglected artists *Encyclopedia of Television Film Directors* is an indispensable resource for anyone interested in the history of the medium
