Sir Norman Lockyer

Destination Dublin:

City Tourism Robert Maitland, Brent W. Ritchie, 2009 Capital city status attracts and drives tourism by enhancing a city's appeal to the tourist and its international standing. With a focus on city tourism themes, this book examines subjects including the identity of a city in a tourism context and practical matters such as promoting the city as a product. By examining tourist activities in national capitals, the book addresses issues in capital city development as tourist destinations with a broad international approach and case studies on major tourist cities.
