**Destiny & Damnation** Sydney Jones, 2004-11      Godhead and the Nothing Thomas J. J. Altizer, 2012-02-01 Eminent theologian Thomas J J Altizer breaks new ground by exploring the ultimate transfiguration of the Godhead as a question of the Nihil or nothingness and God The Nihil is essential to the full actualization of the Godhead in that it fully occurs in both a primordial and an apocalyptic sacrifice of the Godhead Virtually unexplored by philosophical and theological thinking the Nihil is luminously enacted in the deepest expressions of the imagination and most clearly and decisively so in the Christian epic tradition Altizer looks at the works of philosophers and theologians such as Spinoza Barth Hegel Nietzsche and epic writers such as Dante Milton and Blake to ultimately posit a God that is necessarily a dichotomous God      Wilford's Microcosm ,1883      Catholic World ,1921      **New Catholic World** ,1890      Writings and Addresses of Austin Craig Austin Craig, 1911      **Resisting the Place of Belonging** Daniel Boscaljon, 2016-03-23 People often overlook the uncanny nature of homecomings writing off the experience of finding oneself at home in a strange place or realizing that places from our past have grown strange This book challenges our assumptions about the value of home arguing for the ethical value of our feeling displaced and homeless in the 21st century Home is explored in places ranging from digital keyboards to literary texts and investigates how we mediate our homecomings aesthetically through cultural artifacts art movies television shows and conceptual structures philosophy theology ethics narratives In questioning the place of home in human lives and the struggles involved with defining defending naming and returning to homes the volume collects and extends ideas about home and homecomings that will inform traditional problems in novel ways      *This Silence Must Now Speak* T.
