Destiny My Little Miracle:

How We Met (A Journey of Little Miracles) Madeleine O'Dell-Conui, 2014-04-04 When I first came to America in 1967 one of my dreams was to locate my O Dell relatives from my grandfather's side. My Dad and my aunt Nancy always extolled their Dad with such affection that I always wish I have known him. The first few years in the US was a struggle of daily living raising 4 children and working full time that my dreams of ever connecting with them faded into oblivion. In 2012 a premed student from the Santo Tomas University UST connected with everyone through Facebook with an O Dell surname with his research into the O Dell family through Wikipedia the free encyclopedia on Wikipedia.org. Charles Wallace O Dell is a 6th generation O Dell and it took another Wallace in the family to uncover the family history. O Dell family originally owned by an Anglo Saxon king according to Wikipedia in Bedfordshire. O Dell is a village and civil parish in the North of the county of Bedfordshire in England. Originally owned by an Anglo Saxon king the barony of Woadhyll was transferred to the Norman Count of Flanders after the Norman invasion. He later changed his last name to Woadhyll which means a hill full of Woads and as time went on the barony was changed to O Dell which was ruled by Barons bearing the name of O Dell. By the 1600s the family had a quarrel and was split into two leaving the barony without a legal male heir. The quarrel stemmed from religion. The family was divided into the Protestants and the Catholics. The Protestants moved to Newfoundland in Virginia bearing the name Odell while the Catholics moved to Ireland changing their name to O Dell to evade Irish reprisals against the British. Eventually the Catholics moved to Nebraska and that was the start of the family's story. Our great grandfather Wallace Scott O Dell 1852-1915 married Cora Davis. Wallace Scott died in 1915 and was survived by 8 children and his wife. His brother could not attend his funeral and also his son named Thomas Leroy O Dell nicknamed Roy was in the Philippines Islands at the time of his death in Nebraska. Our great grandmother on the left see picture and a woman standing is daughter Zoe the sister of Leroy and her granddaughter on the right. Wallace Scott O Dell was for many years connected actively with agricultural interests in Chapman precinct but spent his last years in honorable retirement at Weston. A native of Venango County Pennsylvania he was born on the 4th of Feb 1852 and was a son of Alfred and Julia Van Geisen. O Dell native respectively of New York and New Jersey. They were married in Pennsylvania and continued to reside there until Wallace was 17 years old when the family moved to Saunders County in Nebraska. His father homesteading land 2 and a half miles east of Weston. At that time the County was in the main a frontier district and the town of Weston had not been founded yet. Mr O Dell proved up to his claim and remained there on until his demise in 1909 at the age of 86. His wife died in 1911 at 84 years old. They became parents of 7 children. Wallace Scott is the third child. Wallace Scott attended School in Pennsylvania and remained at home for sometime after the family left the County. At 25 years of age he was married and began farming in Chapman precinct buying railroad land which he improved. He was a successful Agriculturist being energetic and progressive and accumulated competence as the years went by which enabled him to retire from active life in

1910 He sold his farm that year and moved to Weston On July of 1877 Mr O Dell married Miss Cora Davis a daughter of Captain William and Nancy Whiting Davis They had 8 children namely Maud wife of Henry White of Wahoo Roy who was connected with the civil service in the Philippines Zoe the wife of Joseph Kriz Alta at home Dawn the wife of Joseph Porter of Wahoo Wilma married to George Jackson of Wahoo Nannie and Alfred at home Mr O Dell was a republican who changed part
