Destiny's Journey Robert Ruiz Jr., 2014-10-14 Children and younger adolescents in todays world are bombarded with

information from the electronic media and in particular the internet Much of what they see and read has little redeeming social value Computer games are particularly violent and teach the lesson that in order to have your way it is okay to resort to strength and violence Robert Ruiz Jr in writing *Destiny's Journey* sought to provide children and youth with an imaginative adventure story rooted in the values of family and friendship that stand the test of time love joy peace kindness gentleness faith and patience Inculcated in the story are the concepts of a Creator and a plan of life that is greater than any individual or group of individuals on earth There is indeed a divine plan for all living things The author in developing the Chiles family was particularly interested in engaging Mexican and Hispanic American children and youth many of whom have been raised in the produce fields of Mexico and the United States Thus Chiles family characters serve as the vehicle to share values that make any society strong The interdependence of the characters in this story clearly demonstrates that no man is an island entire of it self All of us need each other regardless of race age or background in order to not only survive but thrive in todays world And above all we must recognize that there is a higher power at work in each of our lives The National Union Catalogs, 1963- ,1964 **The Saturday Evening Post** ,1912 **Destiny's End** Cal Muzikar,2005-02-10 A provocative and unconventional love story about two disenchanted baby boomers who meet by happenstance at a parenting workshop and regardless of the obstacles they encounter choose to take a chance in order to rediscover the meaning of their lives Twentieth-century Romance and Historical Writers Lesley Henderson,D. L. wisdom to you Do not worry about death but consider how to be prepared when it comes Additionally you must acknowledge God and his sovereignty and not only by attending church or Mosque This book also teaches about parenting attitudes character and many other things about life
