Destinys Love

D. J. Parrish

Destinys Love:

Destiny's Story Mathilda No,2023-06-23 The story begins with Destiny sitting alone in her prison cell feeling completely detached In a solemn reflective state she mulls over her past actions bad decisions and life experiences Her parents had migrated from Africa to France before she was born marking the start of a life of movement spending her childhood living between Africa and France with her family Despite a visual impairment Destiny was successful academically Popular within her community sociable and creative she dreamt of becoming a famous singer or actress but drug and alcohol abuse began to darken her life This was the beginning of trouble misadventure and challenging relationships Realising that France was no longer the place for her Destiny finds herself on the move once more looking to improve her life An intriguing opportunity arrives when Destiny is offered a dream holiday to an idyllic tropical island Accepting this offer was a decision that she would forever regret This personal moving and emotional journey ends with an event that was foreshadowed at the start of the book the arrest of Destiny and her friend at an international airport

Destiny's Misery D. J. Parrish,2022-08-05 Destiny is at a crossroads in her life her marriage and her faith in God Her marriage is in jeopardy because her husband has betrayed her love by having an affair This incident leaves Destiny questioning whether she has the strength to grasp the threads that are left of her marriage and whether or not she is capable of holding on to what is left of her dignity She strives to maintain her family life as well as her military career She is unclear whether she should try to rebuild her relationship with Vance and put his betrayal behind them or move forward with her life without him These questions have caused great turmoil for Destiny and she must search deep within herself for answers to her dilemma An unexpected revelation from Vance further weighs on her already uncertainties concerning their marriage and family Where did she possibly go wrong Why didn t she trust her intuition Why is her faith being tested Can she even trust herself to move forward in her marriage Will Destiny forgive Vance for his wrongs Will she stand by his side offering her love strength and dedication while encouraging him to look deep within for his strength and healing Or will she walk away leaving him to his own demise Will Vance s new revelation become the turning point to rebuild their relationship Or will it be the ultimate straw to destroy their marriage
