Destiny's Song Kim Louise, 2000-12-01 Seeking an escape from an obsessed boyfriend turned stalker photographer Destiny Chandler seeks refuge with an old friend in Atlanta where she encounters successful singer Xavier Allgood a powerful and sensual man whose own world had been shattered by a failed relationship Original *Destiny's Song* Michelle McGriff, 2001 Jimmy and Destiny have been in love since the day they met It seemed as though nothing could be stronger than the love they had for each other Could something so earthly and primal as human nature jealousy seduction and lies reach them changing their providence causing their love to end Would the words written by Jimmy from his heart prove to be nothing more than mere mellifluous noise something to be hummed to on the radio like an everyday pop tune Someone had told a lie and it would take real love true love to fix it Before it was to late *Destiny's Song (and the Image of Pursuance)*.
