Detachment Delta: Operation Iron Weed Charles W. Sasser, 2003-03-25 The United States Army's top secret and highly elite Delta Force is the front line of defence against terrorists. It accepts a mission, forms its team and gets the job done in utter silence with devastating results to those wishing to do the US harm. In this, the second in the series, it is once again up to the Delta Force team to find and eliminate a terrorist threat, saving many lives in the process. **Operation Iron Weed**

Charles W. Sasser, 2003 [God in the Foxhole](#) Charles W. Sasser, 2008-11-11 From veteran military writer Charles Sasser comes a collection of inspiring personal accounts of American soldiers whose faith has guided them through the hardships of war. From the battlefields of the American Civil War through World Wars I and II, from Korea and Vietnam to the front lines in Iraq and Afghanistan, soldiers of all faiths have struggled for understanding and called on a higher power when faced with the realities of combat. *God in the Foxhole* is a stunning collection of true personal accounts from generations of American soldiers whose faith in the words of author Charles W. Sasser has been born, reborn, tested, sustained, verified, or transformed under fire. A renowned master of combat journalism and a former Green Beret, Sasser has gathered an immensely moving collection of war stories like no other: stories of spirituality, conversion, and miracles from the battlefield. Be they Christian, Jewish, Muslim, or atheist, churched since childhood or touched by the divine for the first time, here are the riveting experiences of army privates, bomber pilots, navy lieutenants, marines, prisoners of war, medics, nurses, chaplains, and others who, under desperate circumstances and with every reason to fear for their lives, found unknown strength, courage, and heroism through their remarkable faith. These inspiring accounts transcend the explainable to become stunning portraits of survival and belief: the angelic vision that brought inner peace to an exhausted helicopter door gunner in Vietnam; the makeshift full immersion baptisms of eleven soldiers on Palm Sunday in Iraq, 2004; two enemies, a Nazi priest and an American G.I. who served Communion Mass in a Belgian sanctuary in 1944; the prescient letter from a Civil War army major to his beloved wife one week before his death at Bull Run; the 21st century toddler with a jaw-dropping spiritual connection to a war hero of Iwo Jima; and dozens more. A war chronicle like no other, *God in the Foxhole* affirms for military buffs and readers from all walks of life the power of faith in the face of adversity. **Back in the Fight** Joseph Kapaczewski, Charles W. Sasser, 2013-05-07 In 2005, Kapaczewski and his soldiers were coming to the end of their tour in Northern Iraq when their convoy was attacked by enemy fighters. He shattered his leg. Despite multiple surgeries and an amputation, he was able to return to the front lines of battle. [Six: Blood Brothers](#) Charles W. Sasser, 2017-01-17 Based on the History's series *Six*, an action-packed military thriller following the elite, legendary SEAL Team Six. The elite Navy unit known as SEAL Team Six is made up of some of the most renowned and fearsome warriors of all time, deployed for only the toughest missions in the most dangerous places on Earth. Richard Rip Taggart used to lead this unit until, after seeing and experiencing too much on the battlefield, he snaps and executes an American in cold blood in Afghanistan. Now two years later, he has been exiled from his

brothers in Six and works for a private security group in Nigeria until he finds himself in the wrong place at the wrong time and is captured by Boko Haram along with a group of Nigerian school girls But the brotherhood of the SEALs runs deep Once Rip's unit finds out that he has been taken they demand to be the ones to bring him back home But as they mount their rescue operations they find themselves squaring off against an enigmatic lieutenant of a rising terrorist group someone who seems to have a particular interest in getting to Rip first Based off the gripping new series from creators David Broyles Special Operations veteran and William Broyles and inspired by the true stories and events involving SEAL Team Six Six Blood Brothers will give readers a visceral taste of what it means to be part of this squad balancing their own personal demons and complications of family life with the need to serve their country and be there for their brothers in arms

Sasser, 2017-03-14 Based on History's series SIX the action packed sequel to SIX Blood Brothers In this thrilling follow up to SIX Blood Brothers the elite unit known as SEAL Team Six arrives at an abandoned village in Nigeria mere minutes too late to rescue former team leader Senior Chief Richard Rip Taggart What they find instead are a group of battle hardened Chechen fighters and a lot of dead Boko Haram After a deadly firefight they're left only with the knowledge that they are running out of time to find out who now has Rip so they can bring him home Meanwhile Rip's new captor the enigmatic terrorist lieutenant Michael Nasry is intent on using the former SEAL for his own ends And he'll do whatever it takes to get Rip to cooperate But this new terrorist threat isn't the only thing that the warriors of SEAL Team Six have to contend with each man has his own personal demons and sometimes the difference between right and wrong isn't as clear as they might like Based on the gripping new History Channel series from creators David Broyles a Special Operations veteran and William Broyles and inspired by the true stories and events involving SEAL Team Six SIX End Game is a front row seat to the frontline as the team races against time to fulfill one of their most sacred rules never leave a brother behind **Night**
