Bragan, 1987      Christianity and the Detective Story Anya Morlan, Walter Raubicheck, 2014-08-11 Christianity and the Detective Story is the first book to gather together academic criticism on this particular connection between religion and popular culture The articles cover the origin of this relationship in the works of G K Chesterton examine its development through the Golden Age of mystery writers such as Dorothy L Sayers and include discussions of recent and contemporary television crime dramas The volume makes a strong case for viewing mystery writing as a valid means of providing both entertainment and religious insight      **Song of Silver Lake, Vol 2** Rod Mills, 2013-08 Synopsis Song of Silver Lake vol 2 book 2 Fiddle Girl Demonstrating a giftedness in violin Grace discussed with her Harvard educated friend blind Derry London the feasibility of attending an elite institution like Julliard School of Music in New York Derry promised to make a few phone calls which put her in contact with Mr Carlton Astor founder of Astor Plastics in Seattle also a member of the Julliard board of regents To Derry s surprise Mr Astor seemed more interested in the blind woman s 7 year old niece Ruth than he was in Grace the prospective Julliard student He even insisted on flying to Silver Lake in his private aircraft to take Derry and Ruth to dinner What could possibly be Carlton Astor s interest in little Ruth While Derry researched Julliard School of Music Grace was invited to tour with the McCoy family a local amateur bluegrass group The Real McCoy s annually closed up their Silver Lake mechanics shop to make a month long circuit to county fairs across several states Grace first chair in her high school orchestra but a novice to the Bluegrass fiddle was shocked when Pop McCoy entered her in the Lexington Kentucky Bluegrass competition Loyalties between the fiddle girl and The Real McCoy s were tested as bizarre events unfolded during this month long trip      **Harry Pinkurten, the King of Detectives** Ernest A. Young, 1882      **Shop Till You Drop** Elaine Viets, 2003-05-06 Once on the fast track to success Helen Hawthorne is now going nowhere fast She traded in her chic life for a shabby one And now she s on the fun jumping from city to city and dead end job to dead end job trying to stay one step ahead of her past After two weeks as the new salesclerk at Juliana s Fort Lauderdale s ultra exclusive clothing boutique Helen still feels out of fashion And since the only crime likely to be committed around here is being old or worse looking old Helen figures she is safe Until she discovers the manager has been embezzling money and selling designer drugs along with the designer clothes Add murder to the mix and Helen s dead end job is downright deadly      **Larry Dexter's Great Search** Howard R. Garis, 2023-08-24 Howard R Garis s Larry Dexter s Great Search takes readers on an adventurous journey alongside the young protagonist Larry Dexter The narrative follows Larry as he embarks on a quest filled with mystery intrigue and the pursuit of an elusive goal Set against a backdrop of curiosity and determination the story unfolds with themes of discovery problem solving and the power of persistence Larry s determination to uncover the truth and achieve his objective drives the narrative forward as he navigates obstacles and unexpected twists The novel delves into themes of friendship resourcefulness and the value of staying true to one s convictions As Larry forms

**Madonna Hall** Emily Clemens Pearson,1889 **Honor Killing** David E. Stannard,2006-05-02 In the fall of 1931 Thalia Massie the bored aristocratic wife of a young naval officer stationed in Honolulu accused six nonwhite islanders of gang rape The ensuing trial let loose a storm of racial and sexual hysteria but the case against the suspects was scant and the trial ended in a hung jury Outraged Thalia s socialite mother arranged the kidnapping and murder of one of the suspects In the spectacularly publicized trial that followed Clarence Darrow came to Hawai i to defend Thalia s mother a sorry epitaph to a noble career It is one of the most sensational criminal cases in American history Stannard has rendered more than a lurid tale One hundred and fifty years of oppression came to a head in those sweltering courtrooms In the face of overwhelming intimidation from a cabal of corrupt military leaders and businessmen various people involved with the case the judge the defense team the jurors a newspaper editor and the accused themselves refused to be cowed Their moral courage united the disparate elements of the non white community and galvanized Hawai i s rapid transformation from an oppressive white run oligarchy to the harmonic multicultural American state it became Honor Killing is a great true crime story worthy of Dominick Dunne both a sensational read and an important work of social history

*Lecoq the detective's daughter, by W. Busnach and H. Chabrilat* William Busnach,1888 *The Detective as Historian* Ray Broadus Browne, Lawrence A. Kreiser,2007 Deeper understanding of history is enhanced by encasing it in art and interest Crime fiction is one of the widest and most rapidly growing forms of literature Historical crime fiction serves effectively the double purpose of entertaining while it teaches The truth of the narrative account the editors of

this volume believe is dependent on the understanding of human nature reflected in the author who writes the narrative

Historical crime fiction the editors of this volume write has an obligation and a golden opportunity It must bring the past up to the present through the device of timeless crime and it must take the reader into the world about which is being written so that the characters are alive and the events interesting and challenging Professional writers of fiction need to be more effective than mere authors of dates and assumed motivations Therefore they can fill in human motivations and drives where no records exist and can aid the professional historians in what historian David Thelen calls the challenge of history which is to recover the past and interpret it for the present The essays in this volume accept the challenge and make major accomplishments for meeting it

*The Lost Lady of Lone* Emma Dorothy Eliza Nevitte Southworth,1894      **Monsieur Lecoq, tr. by sir G. Campbell** Émile Gaboriau,1888      **A Dashiell Hammett Companion** Robert L. Gale,2000-02-28

Dashiell Hammett s writing career began with the publication of *The Parthian Shot* a tiny short story in *The Smart Set* in 1922 and virtually ended when he published 3 outstanding stories in *Collier s* in 1934 During this period he published 60 short stories 5 novels including *The Maltese Falcon* and *The Thin Man* a few minor poems some nonfictional prose and a series of astute book reviews Though he lived until 1961 he wrote little after 1934 and suffered from alcoholism tuberculosis and other illnesses His influence on other writers however and on movies and television has survived to this day This reference work is a comprehensive guide to Hammett s life and works The volume begins with a chronology that highlights the major events in Hammett s life The bulk of the book comprises alphabetically arranged entries for Hammett s works characters family members and acquaintances Some of the entries cite sources of additional information and the volume concludes with a brief bibliography While the reference is first and foremost a guide to Hammett it is also a helpful aid to the study of the development of the American hard boiled detective novel

**The Model Town and the Detectives** Allan Pinkerton,1876      **Margaret Atwood: Crime Fiction Writer** Jackie Shead,2016-05-13 Exploring how Margaret Atwood s fiction reimagines the figure of the detective and the nature of crime Jackie Shead shows how the author radically reworks the crime fiction genre Shead focuses on *Surfacing* *Bodily Harm* *Alias Grace* *The Blind Assassin* *Oryx and Crake* and selected short fiction showing the ways in which Atwood s protagonists are confronted by their own collusion in hegemonic assumptions and thus are motivated to investigate and expose crimes of gender class and colonialism Shead begins with a discussion of how Atwood s treatment of crime fiction s generic elements particularly those of the whodunit clue puzzle and spy thriller departs from convention Through discussion of Atwood s metafictional strategies Shead also examines Atwood s techniques for activating her readers as investigators who are offered an educative process parallel to that experienced by some of the author s protagonists This book also marks a significant intervention in an ongoing debate among Atwood critics that pits the author s postmodernism against her ethical and humanistic concerns
