

A black and white photograph of two young girls in a garden. The girl on the left is seen from the side, looking towards the right. The girl on the right is facing her, and they appear to be in conversation. They are both wearing light-colored, short-sleeved dresses. The background is filled with dense foliage and other children, some of whom are partially visible on the left and right edges of the frame. The overall scene suggests a candid moment during a family outing or a school excursion.
