**Detroit's Coming of Age, 1873 to 1973** Don Lochbiler, 1974      **Motor City Movie Culture, 1916-1925** Richard Abel, 2020-01-21 A study of how the film industry came to flourish in Detroit in the early years as locals were lured into the new picture theaters **Motor City Movie Culture 1916 1925** is a broad textured look at Hollywood coming of age in a city with a burgeoning population and complex demographics Richard Abel investigates the role of local Detroit organizations in producing distributing exhibiting and publicizing films in an effort to make moviegoing part of everyday life Tapping a wealth of primary source material from newspapers spatiotemporal maps and city directories to rare trade journals theater programs and local newsreels Abel shows how entrepreneurs worked to lure moviegoers from Detroit's diverse ethnic neighborhoods into the theaters Covering topics such as distribution programming practices nonfiction film and movie coverage in local newspapers with entr acts that dive deeper into the roles of key individuals and organizations this book examines how efforts in regional metropolitan cities like Detroit worked alongside California studios and New York head offices to bolster a mass culture of moviegoing in the United States      *A State-by-State History of Race and Racism in the United States* Patricia Reid-Merritt, 2018-12-07 Providing chronologies of important events historical narratives from the first settlement to the present and biographies of major figures this work offers readers an unseen look at the history of racism from the perspective of individual states From the initial impact of European settlement on indigenous populations to the racial divides caused by immigration and police shootings in the 21st century each American state has imposed some form of racial restriction on its residents The United States proclaims a belief in freedom and justice for all but members of various minority racial groups have often faced a different reality as seen in such examples as the forcible dispossession of indigenous peoples during the Trail of Tears Jim Crow laws crushing discrimination of blacks and the manifest unfairness of the Chinese Exclusion Act Including the District of Columbia the 51 entries in these two volumes cover the state specific histories of all of the major minority and immigrant groups in the United States including African Americans Hispanics Asian Americans and Native Americans Every state has had a unique experience in attempting to build a community comprising multiple racial groups and the chronologies narratives and biographies that compose the entries in this collection explore the consequences of racism from states perspectives revealing distinct new insights into their respective racial histories

**Guide to the Michigan Genealogical & Historical Collections at the Library of Michigan and the State Archives of Michigan** Michigan Genealogical Council, 1996      **Dreaming Suburbia** Amy Maria Kenyon, 2004 A multifaceted cultural study of suburbanization in the United States and Detroit in particular during the postwar suburban boom **Dreaming Suburbia** is a cultural and historical interpretation of the political economy of postwar American suburbanization Questions of race class and gender are explored through novels film television and social criticism where suburbia features as a central

theme Although suburbanization had important implications for cities and for the geo politics of race critical considerations of race and urban culture often receive insufficient attention in cultural studies of suburbia This book puts these questions back in the frame by focusing on Detroit Dearborn and Ford history and the local suburbs of Inkster and Garden City Covering such topics as the political and cultural economy of suburban sprawl the interdependence of city and suburb and local acts of violence and crises during the 1967 riots the text examines the making of a physical place its cultural effects and social exclusions The perspectives of cultural history American studies social science and urban studies give *Dreaming Suburbia* an interdisciplinary appeal

Elmwood Endures Michael S. Franck, 1996 Elmwood Cemetery is one of the oldest places of burial in Detroit Less than two miles from downtown the cemetery s archaic stone monuments are a treasure of artistic carvings characteristic of the rural cemetery movement Elmwood s tranquil setting inspires contemplation of nature life and death *Elmwood Endures* provides a visual journey of the cemetery s history and landscape The guidebook features nearly one hundred photographs along with brief biographies of notable occupants who make up a virtual who s who in Detroit history Many of those buried governors explorers doctors mayors inventors senators civil rights leaders distillers and brewmasters and civil war generals helped found and shape the city A celebration of an important Detroit landmark *Elmwood Endures* reveals Detroit s rich and interesting history
