Leadbeater, 2018-02-20 This classic Theosophical work is the authority on the Plane of Devachan After spending time on the Astral Plane the soul moves on to Devachan to live in bliss while it awaits reincarnation This volume details the scenery and inhabitants of this mysterious realm **The Devachanic Plane: or the Heaven World: Its Characteristics and Inhabitants** Charles Webster Leadbeater, 2012-06-12 What Heaven is what it looks like and who lives there Great reference guide for any serious spiritual seeker **Devachanic Plane** Charles Webster Leadbeater, 1986-09-01 *The Devachanic Plane* C. W. Leadbeater, 2021-04-07 In calling this plane the heaven world we distinctly intend to imply that it contains the reality which underlies all the best and most spiritual ideas of heaven which have been propounded in various religions yet it must by no means be considered from that point of view only It is a realm of nature which is of exceeding importance to us a vast and splendid world of vivid life in which we are living now as well as in the periods intervening between physical incarnations It is only our lack of development only the limitation imposed upon us by this robe of flesh that prevents us from fully realising that all the glory of the highest heaven is about us here and now and that influences flowing from that world are ever playing upon us if we will only understand and receive them Impossible as this may seem to the man of the world it is the plainest of realities to the occultist and to those who have not yet grasped this fundamental truth we can but repeat the advice given by the Buddhist teacher Do not complain and cry and pray but open your eyes and see The light is all about you if you would only cast the bandage from your eyes and look It is so wonderful so beautiful so far beyond what any man has dreamt of or prayed for and it is for ever and for ever

Leadbeater, 2021-07-16 Leadbeater's treatment of Devachan is an expansive look at an interesting mystic concept taken from Theosophy and interpreted with slight variance in other systems The basic premise is that of a temporary situation between physical incarnations which is vaguely similar to the concept of a Christian heaven although heavily subjugated to a many layered sort of ascension away from the physical and mortal and into a sort of merging with spiritual forces adopted from Eastern systems such as Buddhism and Hinduism The list of entities in the various rupa and arupa regions is quite elaborate In some texts although not this one Devachan is also described as quasi purgatorial **The Devachanic Plane Or the**
