Financial Management Training Series: Creating a financial framework Kay Spearman, 2007. This series is designed to cover all aspects of sound financial management for local governments in developed and developing countries and economies in transition. Concepts of good governance, transparency, and accountability are woven into the text of every chapter, and the needs and potential obstacles to greater decentralization and democracy are highlighted. Each volume is self-contained with its own Trainer's Guide, exercises, and web resources. Chapters are divided into basic and advanced concepts, and the detailed relationship of each topic to the others covered in the series is explained. Publisher's description.
