Developing Parenting Programmes:

Developing Parenting Programmes Celia Smith,1996

Parenting Programmes: What the Parents Say Katy

Smart,2020-11-19 This book presents original research examining parents perspectives on the structure content and delivery of parenting programmes It explores how parents have personally been impacted by attending such a programme and finally whether or not this might be affecting their child Utilising an innovative mixed methods research approach based around a critical realist philosophy the author follows 136 families through one of three parenting programmes and beyond In doing so she provides important new insights regarding the efficacy of the parenting programmes demonstrating a real world application of the transplant model of parent professional practice in action This book provides a valuable new resource for students and scholars working in the psychology of education education childhood studies and across the social sciences more broadly It will also be of interest to policymakers and professionals involved in the development and implementation of parenting programmes

Parenting Programmes and Minority Ethnic Families Jane Barlow,Richard Shaw,Sarah

Stewart-Brown,Race Equality Unit,2004-01-01 This downloadable report reviews a number of parenting programmes and provides insight into the ways in which parents find the programmes helpful

Parenting and Child Development Abdul

Khaleque,2021-03-08 This research based book covers the core components of modern parenting and child development across multi ethnic and cross cultural contexts in Asia Africa Europe and North and South America with a focus on the United States Parenting and Child Development Across Ethnicity and Culture is based on a cohesive framework that links physical psychological social cognitive and emotional aspects of children s lives to their experiences of parental behavior This book covers the fundamentals of parent child relationships including the theoretical perspective of parenting positive and negative parenting behaviors and changing patterns of parenting from infancy through adolescence Explored are parent child relationships and their implications for children s health well being and quality of life in different family forms including parenting in drug addicted families homeless families cohabiting families single parent families and LGBT families around the world Using an array of theories with relevant empirical findings the practical implications for child development both within the United States and across the globe are highlighted Also included is specific information about tools and techniques for measuring intimate relationships and intervention strategies for relationship problems

Lifestyle Management in Health

and Social Care Miranda Thew,Jim McKenna,2009-03-16 Lifestyle Management in Health and Social Care is a one stop handbook for health and social care professionals that assists in the provision of a wide range of professional lifestyle advice treatment or condition specific therapy It is both evidence based and highly practical Each chapter provides background information on a particular lifestyle factor including fatigue stress relationships and diet In addition the book offers suggestions for further reading and step by step advice on how to explain and facilitate lifestyle skills with clients At the end of each chapter and posted on the companion website are information sheets to hand out to clients to further support their

understanding and their ability to apply effective strategies and skills for change Features Companion website with downloadable PDF files of client handouts Evidence based Multi professional contributions Suggestions for further reading Includes motivational interviewing Oxford Handbook of Primary Care and Community Nursing Judy Brook,Caroline McGraw,Val Thurtle,2021-02-01 Fully updated for its third edition the Oxford Handbook of Primary Care and Community Nursing is the essential guide to caring for patients in primary care and in community settings Concise and comprehensive the book provides the reader with both evidence based clinical knowledge as well as the organizational structure of community health services Chapters range from common adult and paediatric health problems to more specific targeted advice for service users with extra needs and people with long term conditions The handbook includes information on how health and social care services are organised and funded from common technical care procedures to complex situations alongside detailed aspects of health promotion in adults children and adolescents With new topics on consultation frameworks and models supporting young people in their transition to the adult services and female genital mutilation all clinical guidelines epidemiology and statistics have been revised to reflect developments since the previous edition Providing an accessible and instant resource for everyday nursing and a benchmark of good practice the Oxford Handbook of Primary Care and Community Nursing is a unique and invaluable companion for all health care professionals working in the primary care and community setting *Evaluation of the COPING Parent Online Universal Programme* Dawn Adele Owen,2018

Young Children in Humanitarian and COVID-19 Crises Sweta Shah,Lucy Bassett,2023-11-30 The long term consequences of COVID 19 have been tough for children around the world but even more so for young children already in humanitarian crisis whether due to conflict natural disasters or economic and political upheaval This book investigates how organizations around the world responded to these dual challenges identifying solutions and learning opportunities to help to support young children in ongoing and future crises Drawing on research and voices from the Global South this book showcases innovations to mobilize new funds and re allocate existing resources to protect children during the pandemic It provides important evidence on understudied and overlooked vulnerable populations recognizing that researchers from the Global South are best positioned to fill these research gaps contextualize findings and support the uptake and adoption of recommendations by local decision makers and practitioners in those same contexts The findings in this book will be important for practitioners policy makers and donors working in or interested in humanitarian contexts on early childhood development or early childhood education The book will also be useful to students and researchers working in these fields The Open Access version of this book available at <http://www.taylorfrancis.com> has been made available under a Creative Commons Attribution Non Commercial No Derivatives CC BY NC ND 4 0 license **California.
