A Historical Background

Mohammad Ishaq Khan

Development Of Local Self Government In J K 1846-1947 A Historical Background:

Panchayati Raj in J&K: Decentralization and Development Before and After the Abrogation of Article 370. Dr.

Ramparshad Singh, 2025-11-07 The incisive book thoroughly examines the concepts of democracy and decentralisation as well as the functioning of Panchayati Raj both before and after the abrogation of Article 370 in Jammu and Kashmir. It offers historical insights from the past to the present and also sheds light on the historical development of Panchayati Raj in India and J K. The book highlights various developments in the J K Panchayati Raj system during the post accession period up to the abrogation of Article 370. Additionally, it covers important constitutional developments and the evolving nature of Panchayati Raj institutions in the region over time. Furthermore, the book investigates multiple obstacles to grassroots development within the J K Panchayati Raj framework. After discussing the reasons behind the abrogation of Article 370, it explores its implications, consequences, and the changes brought about through the integration of Indian laws, constitutional amendments, reservations, and the devolution of powers in J K. It also discusses various challenges faced in this context and offers recommendations to overcome obstacles to grassroots progress.

The Indian Social Sphere Sakarama Somayaji, Ganesha

Somayaji, Joanna P. Coelho, 2024-08-28 This book studies the social formation of India through the lens of religion, state, ethnicity, and governance. It provides a nuanced understanding of the structural as well as the processual aspects of the Indian social sphere. The volume studies diverse themes such as the impact of religiosity on religious consciousness, the primacy of tribal identity in colonial India, political inclusion of marginalised communities, the emerging subaltern activism, among others. An important contribution, this book will be of interest to scholars and researchers of sociology, political sociology, South Asian studies, Affirmative action, and political science.

History of Srinagar, 1846-1947 Mohammad Ishaq Khan, 1978 Dr. Ishaq has described not only the political history of Srinagar from 1846 to 1947 but also its social, economic, and cultural life. Foreword

The Origin and Development of Local

Self-Government James M. Bugbee, 2015-07-09 Excerpt from *The Origin and Development of Local Self Government In England and the United States*. An eminent historian has said that the institution of municipal corporations contributed more perhaps than any other cause to the emancipation of Europe from the thralldom of feudalism. If we may believe all that the prophets of evil have to say about the condition of local self government in the United States, the future historian will trace the destruction of liberty in the great republic to the development of those corporations, the original institution of which brought light out of darkness. The more conspicuous instances of misgovernment have been dwelt upon with such force and to such an extent that there is some danger of breeding a spirit which instead of seeking a remedy consistent with the preservation of the rights of self government will be content with nothing less than the destruction of those rights by the establishment of a centralized system of administration such as exists in republican France. There has been a significant

change during the last quarter of a century and more especially since the late war in the feelings with which the people of this country exercise what may be called their minor political duties About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
